Student Requirements and General Acknowledgement:

I have read and understand the essential requirements of the course: at least 18 years old, the recommendation of an English assessment for ESL students, a computer or tablet for online learning, mandatory attendance for lab and clinical, the ability to lift a minimum of 50 pounds, a 32-hour lab and a 200-hour practicum both with minimal rest periods, a passing grade in theory and lab before allowed into practicum, and that a valid North Dakota Certified Nursing Assistant (CNA) license in good standing as a CNA with the ND Dept. of Health and Human Services is strongly recommended. I understand this is an 296 hour course and attendance is mandatory. If I miss more than 8 hours for any reason, I understand that I will be dropped from the course. I understand I am required to provide proof of immunizations such as COVID-19, Varicella, MMR, Tuberculosis test, Seasonal Flu, and Hepatitis B. I acknowledge that prior to the practicum start I must provide ND UAP Registry placement, which requires a background check and any fees associated with obtaining the ND UAP Registry are my responsibility. Further, I acknowledge I will be required to adhere to any other policies of the facility in which I am placed for practicum. I agree to meet all requirements within the deadlines stated. I understand that if I have not met these requirements in a timely manner I will not be allowed to attend or complete the class. If I must cancel my registration, I understand that I must notify BSC Continuing Education at least ten (10) business days prior to the start of class in order to receive a refund of the tuition less the \$500 non-refundable deposit.

_____ My initials indicate that I have read and understand the above statements.

This is a hybrid class. 64 hours of theory will be held online, lab on the BSC campus, and practicum within a facility. A personal laptop or tablet will be required to complete the class.

_____ My initials indicate that I understand this requirement.

This class will have four (4) eight (8)-hour days of required lab practice and 200 hours of practicum with minimal rest periods. These days are mandatory and cannot be missed.

_____ My initials indicate that I understand this requirement.

COURSE PREREQUISITES:

Students will receive an email from BSC Continuing Education outlining how to fulfill the course prerequisites including how to establish an online account with CastleBranch. The following prerequisite documents must be uploaded by the student into CastleBranch ten (10) business days prior to the course start: (1) COVID-19 vaccination record, (2) Varicella vaccination record, (3) Measles, Mumps, and Rubella vaccination record, (4) Tuberculosis test results within three (3) months of the start of the class, (5) Seasonal Flu, and (6) Hepatitis B Series vaccination record or waiver.

The course prerequisites and full tuition payment must be completed no later than ten (10) business days prior to the course start date. Failure to adhere to complete these items will delay access to the course. In addition, a student may incur additional costs.

STUDENT EXPECTATIONS:

Because quality and commitment is of utmost importance, the instructor has the authority to dismiss a student who does not meet the expected standards of the class for a number of reasons, including, but not limited to: lack of responsibility, safety, respect for instructors and others students, or any other negative issue related to the student completing the program. In any of the above cases, the instructor or TrainND Southwest will notify the student’s employer and/or program sponsor of the first offense. Continued offenses or behavior could result in unsuccessful completion of the program. Additional student expectations are outlined below:

- Students must attend in clean and neat attire.
- Students must be prepared and have proper clothing.
- Students must respect other students and instructors.
- Students must operate the equipment in a safe and responsible manner.
- No discrimination of any kind will be tolerated.
- No use of cell phone during classroom lab or clinical instruction. Limit use to breaks or emergency-related situations only.

REFUND POLICY:

A \$500.00 deposit paid upon registration is required to reserve a seat and is non-refundable. Students must contact the BSC Continuing Education office at least ten (10) business days prior to the course start date to request a refund on the remaining paid balance. If a student cancels less than ten (10) business days prior to the start of the course, the entire registration fee is forfeited. Full refunds are guaranteed if BSC Continuing Education cancels a course. All approved refunds are made by mail unless paid with a credit card in which case the card is credited. Please allow three (3) weeks to process refunds.
