

# A.S. to B.S. in Sport & Leisure Management

## 2+2 Transfer Guide

The University of Mary and Bismarck State College have partnered to offer the Seamless Transfer program. Now, it's even easier to step from a two-year program into your dream major! The Seamless Transfer program allows students to work towards their bachelor's degree from the University of Mary while simultaneously earning their associate's degree from Bismarck State College. Students who successfully complete their associate's degree with the required U-Mary pre-requisites at Bismarck State College can seamlessly transfer to the University of Mary and complete their bachelor's degree in Sport and Leisure Management in only two years.

Sport and Leisure Management majors graduating from the University of Mary's Gary Tharaldson School of Business will be enriched through a curriculum of discovery, development and application to ensure a sound knowledge of the key professional components of sport and leisure management.

Students also gain an understanding of how to incorporate servant leadership into their everyday lives as business professionals. In addition to having mastered the core competencies of the University, graduates of the sport and leisure management program will be able to:

- Demonstrate entry-level knowledge of the scope and the historic, scientific, and philosophical foundation of the profession.
- Apply the knowledge of professional practice coupled with the historical, scientific, philosophical foundations of sport and leisure.
- Develop thorough critical-thinking valid and sound decisions about professional practices, policies, procedures, techniques, and related ethical and professional issues.
- Design experiences clearly reflecting application of knowledge for relevant facets of contemporary professional practices, business, science and philosophy.
- Assess needs and implement recreation programs, events and leisure experiences among diverse clientele, settings,

cultures and contexts.

- Evaluate services and experience offerings and use the data to improve the quality of the service.
- Recognize and apply basic concepts, principles and procedures of organization, financial, human resource and business management, marketing, public relations, and communications.
- Demonstrate through experience-based classroom work, a practicum field experience of not less than 80 hours and a comprehensive internship program of not less than 400 hours, the ability to use and apply the practices and methodologies of the field.
- Incorporate the Benedictine values and the merits of servant leadership into the best practices of academic projects and coursework, community projects, and work effectively in a team environment.
