

## *First Community Credit Union Scholarship*

In recent years First Community Credit Union created a program that supports our dedication to area communities by reinvesting in youth. FCCU donated \$1 million into a scholarship foundation to provide additional scholarship dollars to graduating high school students. The earnings from the foundation go to fund scholarship opportunities, including multi-year scholarships for members of the credit union for years to come.

The credit union will award seven \$4,000 scholarships and two \$2,000 scholarships, which are \$1,000 per year. There are nine scholarships available for the following schools in which FCCU has branch locations: Bismarck State College, Concordia College, Minnesota State University Moorhead, Mayville State University, North Dakota State University, North Dakota State College of Science, University of Jamestown, University of Mary, and Valley City State University.

In addition, a limited number of individual one-year scholarships will be available to any college, university, or trade school of the student's choice at the value of \$1,000.
