Dear Executive Assistant Campbell:

We have received the on-site evaluation results for your collision repair and refinish technician-training program at Bismarck State College. The results indicate that your program continues to meet the requirements for **Master** collision accreditation in the areas of *Damage Analysis/Estimating/Customer Service, Painting & Refinishing, Non-Structural Analysis/Damage Repair, Structural Analysis/Damage Repair, and Mechanical and Electrical Components* – the highest level of program accreditation recognized by the National Institute for Automotive Service Excellence (ASE).

We commend you and your staff for maintaining your program's standards and continuing to meet the industry's requirements. The explosion in automotive technology makes your high quality automotive training program more valuable than ever.

To acknowledge your accomplishment, we are creating a plaque certificate for you that will recognize your program successfully completed the renewal process of program accreditation. You should receive this plaque insert within 6-8 weeks.

Sincerely,

Michael Coley
President
