

How to register for the Midwest Power Systems Conference

If you have not created a profile account on our registration site (registeratbsc.com) before, you must do so before you can register.

- In the menu on the left, click FAQ for help on how to create a new profile.
- **This step can be done any time prior to registering.**
- **The name and contact information on this profile should be the primary contact person. This information will be included in the conference program book.**

Once you create your account, please keep your username and password in a safe place for easy access because it will be required for any future registrations.

- If you can't remember your username, click **Forgot your username** to have your username sent to the email address on record for your profile.
- If you forgot your password, click **Forgot your password** to request a password reset.

Please note, our staff is unable to reset passwords due for privacy and security reasons. For further assistance, our staff is available at 701-224-5600 or 1-877-846-9387 between the hours of 8 AM and 4 PM CT Monday through Friday excluding some holidays.

Please note that whenever the term "Student" is used, it also includes organization contacts and employees.
