

American Chemical Society Scholarship

ACS sponsors scholarship programs for qualified applicants who want to enter the fields of chemistry, biochemistry, chemical engineering, chemical technology, and teaching. The programs aim to encourage diversity among applicants and build awareness of the value and rewards associated with careers in science and technology.

- **ACS Scholars**
Renewable scholarships for undergraduates from historically underrepresented groups majoring in chemistry-related careers.
- **Project SEED**
A paid summer internship program for high school students from economically disadvantaged backgrounds to learn about chemistry careers and receive mentoring.
