TEXTBOOK FAQ

Where do I purchase my Books?

The Heavy Equipment Operations faculty choose the specific book and edition that will be used for your courses. Not all courses require books, those that do can be purchased with the BSC Bookstore in person or online.

Where do I get my book list?

Go to the BSC Bookstore website at Shopbookstore.bismarckstate.edu, select textbooks, and then order textbooks. For each course, select the appropriate section and instructor. The generated book list will show if a course does not require a book, as well as purchase options for new or used books.

When do I purchase my Books?

Textbook sales begin in August for the Fall semester and December for the Spring semester. Purchase dates will vary depending on your choice of payment. For example, paying with cash, check, credit card, or charging against financial aid or third parties. Review the [Academic Calendar](#) for specific dates.

Can I use Financial Aid to pay for my Books?

Yes. Students in good standing who have completed a financial aid file can charge books against their excess financial aid. Excess financial aid is your total accepted financial aid, less your student account balance, which includes tuition, fees, and housing charges.
