 - b. No pass zone with call lights
 - c. Bedside reporting
 - d. 530-7640 – (Lynette) Generic passwords/username for getting policies/procedures
 - 2. Sanford – bedside reporting
 - a. IV policy – going across all Sanford organizations. Still being approved, but student capabilities will be removed from policy.
 - ii. New graduate transition to practice – what are you seeing in your area?

Suggestions for things to incorporate into the program.

- 1. Nurse residency programs
 - a. CHI - any nurse with <1yr experience. Lasts 6 months. Start day with administration meeting with them. Have Quality days. Take and change curriculum based on feedback. Include simulations in each area/situation. First 5 (CP, patient fall, etc). Interdisciplinary visits (palliative care, PT/OT, home health etc). Peer discussion groups.
 - b. Sanford - any nurse with <1yr experience. Sanford enterprise looking at maybe accredited program. Death and dying simulation (bringing in hospice nurse, charting, how to report)

- d. Evaluations
- e. Motion to approve recommendation of continuation of program: Greta Knoll; 2nd – Missy Wetsch
- f. Advisory Board Appointments/Reappointments
 - i. Motion to approve Greta Knoll as the new chair to replace Jaqueline Strinden:
Missy Wetsch; 2nd – Deanna Berg

IV. Adjourn: 1800
