- Save money with reduced tuition
- Choose flexible learning options

QUALIFICATIONS

- Must be a high school sophomore, junior or senior
- Must have at least a cumulative 3.0 GPA
- Must meet any course placement score and/or prerequisites
- Permission from parent legal guardian and high school designee

Begin Your Future AND BE COLLEGE, CAREER AND LIFE READY

High school students can earn college credits through Bismarck State College by taking classes in subjects like English, math, science, and history. These courses fulfill both high school and college credit requirements, helping students start their college education early and explore potential career fields.

ASSOCIATES DEGREES

The AA degree is a two-year degree and is usually geared toward students interested in fields like humanities, communication, or social sciences, while the AS degree often emphasizes areas like biology, math, or physical sciences. Dual credit classes cover many of these required courses, giving students a head start on their college journey and helping them explore potential fields of study.

DUAL CREDIT TUITION SCHOLARSHIP

Earn up to a \$750 scholarship that can be applied towards any post-secondary enrollment at a North Dakota state public, private or tribal institution. Apply at tiny.ndus.edu/dualcrschol

WHO TO CONTACT:

Dual Credit Coordinator- This is your advisor and who to contact about classes being offered and general questions.

bsc.dc@bismarckstate.edu (701) 224-2573
