

WHY EARN COLLEGE CREDIT NOW?

- Expand academic options
- Transition more easily to college
- Complete college faster
- Save money with reduced tuition
- Choose from flexible learning options

begin your future and be college, career and life ready

Earn your associate degree while still in high school

BISMARCK STATE COLLEGE ASSOCIATE DEGREES

Earn your associate degree and high school diploma simultaneously in three years or less with the BSC FastTrack Program. This program allows you to enroll in BSC college courses while fulfilling the Legacy High School graduation requirements. By completing an Associate of Arts or an Associate of Science degree, you don't have to worry about spending extra time and money taking classes you don't need. Begin your future now and earn a college degree while still in high school!

Qualifications

- Must be a high school sophomore, junior or senior
- Must have at least a cumulative 2.0 GPA
- Must meet any course placement score and/or prerequisites
- Permission from parent/legal guardian and high school designee

An Associate of Arts degree

is ideal for students wanting to further their education in arts, humanities or social sciences.

An Associate of Science degree

is ideal for students wanting to further their education in science, technology, engineering, mathematics or medicine.

Earn up to a \$750 scholarship that can be applied towards any post-secondary enrollment at a North Dakota state public, private or tribal institution.
