

ND Dollars for Scholars:

Bowman Wind & Homestead Wind scholarships

We're excited to share the North Dakota Dollars for Scholars scholarship in collaboration with Apex Clean Energy. This scholarship offers up to \$8,000 for Bowman and Williams County students pursuing careers in clean energy, including renewable energy, energy efficiency, and clean tech, for the 2026-2027 academic year.

Eligibility:

- Graduating from or a graduate of Bowman or Williams County
- GPA of 2.5 or higher
- Plan to attend or attends a North Dakota college, university, or technical school
- Plan to pursue a career in clean energy

Primary Career Fields (Up to \$8,000):

- Energy Services and Renewable Technician
- Electric Power Technician
- Wind Energy Technology
- Energy Studies/Management

If no one qualifies for clean energy careers, a \$4,000 scholarship will be awarded for secondary career fields such as Welding, Engineering Technician, and Environmental Studies.
