

The North Dakota Association of County Engineers (NDACE) proudly announces that we are continuing our annual scholarships. In 1999, we began giving out one scholarship in the amount of \$500. Since that time, the scholarship has received great support from the Members of the Association and from our Sponsors, so we are now able to award three scholarships - two \$2,000 scholarships and one \$2,500 scholarship.

Scholarships are available to college students in their second year or above who are attending any North Dakota institution and are majoring in any of the following programs: Civil Engineering, Construction Management, Construction Engineering, Civil Engineering Technology, Survey Technology, or Construction Management Technology. The Forest Jennings Scholarship Award will be given to the highest scoring applicant. Half time students are eligible to apply. **Previous NDACE scholarship award winners are not eligible to apply.**

Applications will be completed and submitted [online](#) or visit <https://www.ndace.org/scholarship/> for more information.

Applications must be submitted by December 31, 2024.

If mailing attachments, please send to:

NDACE Scholarship Committee
Attn: Tim Pickering
1300 12th St SE Ste 240
Watford City ND 58854

On Wednesday, January 29, 2025, there will be a banquet for the NDACE to award the recipients of the scholarships. Although not mandatory, we encourage winners to attend the banquet. All mileage and lodging (if applicable) expenses will be paid in full. The Banquet will be held at the Holiday Inn, 3803 13th Ave S, in Fargo, ND. If award winners are unable to attend the banquet, we ask that the award winner provide a short thank you video to share with the conference attendees.

If more information is needed, please [contact us](#).
