

CERTIFIED MEDICAL ASSISTANT

What is a Certified Medical Assistant?

A Medical Assistant is a health professional that performs routine administrative and clinical tasks in a variety of offices and clinics of physicians and nurse practitioners, urgent care centers, hospitals, labs, insurance and billing companies, and government agencies. The Medical Assistant field is one of the most versatile health occupations in today's healthcare environment. Medical Assistants perform administrative tasks such as managing business affairs of the practice, scheduling appointments, medical reception, billing, and acts as a patient advocate and navigator. Medical Assistants also assist the provider in performing clinical skills of patient documentation, procedure preparation, diagnostic testing, collecting specimens, pharmacology management, and basic first aid. With this course you will learn the professional characteristics and knowledge required of a Medical Assistant.

Successful completion will result in a Bismarck State College Certificate of Completion. Some job openings require certification – they are referring to National Certification described below.

Upon successful completion of the course, students will be eligible to register and complete the National Certified Medical Assistant (NCMA) exam through the National Center for Competency Testing via Route 1A or 1B if the following requirements are met in total:

- Route 1A and 1B Requirements:
 - High school graduate or equivalent
 - Exam fee of \$119.00
- Route 1A (Current Student) Requirements:
 - Current students in a Medical Assistant program from a NCCT-authorized school must submit a copy of a Medical Assistant diploma, certificate of completion, or signed official transcript with graduation date to obtain full accreditation.
 - All required documents must be submitted within two years after successful program completion in order for the certification to be released.
- Route 1B (Graduate) Requirements:
 - Graduates of a Medical Assistant program from a ACCT-authorized school within the past five years, must submit a copy of a Medical Assistant diploma, certificate of completion, or transcript with graduation date.
- Applicants should not apply until after successful completion of the structured program.

Course Commitment

The Certified Medical Assistant course is a 25-week hybrid course to include 144 hours of online theory, 40 hours of lab, and 40 hours of practicum (clinical) within a facility. To be successful students should expect to spend up to 10 hours per week learning the theory, participating in discussions and completing assignments.

Attendance for lab and practicum is mandatory. Class attendance is an essential part of the educational process of this training. Students may be dropped if attendance requirements are not met; missing more than 8 hours of lab or practicum will result in a student being dropped from the class regardless of the reason. Students must also access the online course during the first week of class.

Students are required to access the online class during the first week and will be required to take, and pass, chapter exams after each subject is covered.

Veterans Priority *

Because this program receives funding from the U.S. Department of Labor, veterans and eligible spouses receive priority of service over non-covered persons. (20 CFR 1010)

Spring 2024 Course Dates

Online Theory (144 hours): February 12 - August 2, 2024

Lab (40 hours): Minimum of five 8-hour days on the BSC Campus;

Anticipated dates: May 18, June 8, June 22, July 6, July 20

Practicum (40 hours): July 21-27 or July 28-Aug 2*

This course follows the BSC academic calendar. Contact BSC Continuing Education and TrainND for course availability or visit us online at bismarckstate.edu/medicalassistant

Non-Credit Course Cost

\$3,385 tuition includes online access, books, and lab supplies.

A non-refundable deposit of \$500 is required to reserve a seat. The remaining tuition amount is due ten (10) business days before the course start date. Lodging and travel expenses are the financial responsibility of the student.

The Certified Medical Assistant course is a short-term, non-credit program; therefore, TrainND Southwest does not offer financial aid or tuition assistance. Students may qualify for funding from state and federal agencies. Go to bismarckstate.edu/medicalassistant to learn more.

Refund Policy

A \$500 deposit paid upon registration is required to reserve a seat and is non-refundable. Students must contact the BSC Continuing Education office at least ten (10) business days prior to the course start date to request a refund on the remaining paid balance. If a student cancels less than ten (10) business days prior to the start of the course, the entire fee is forfeited. Full refunds are guaranteed if BSC Continuing Education cancels a course. **Once the online class has been accessed, the entire registration fee is forfeited.**

For Credit Course

This course is available for college credit. In order to receive college credit for the Medical Assistant Program, you must be enrolled at BSC which includes the BSC application form and a \$35 application fee. For current fees to take the course for credit, please contact BSC Student Finance at 224-5533 or stop by their office located on the first floor of Schafer Hall. For-credit students must contact the Medical Assistant program manager to acquire a permission slip prior to enrolling.

Student Requirements

The essential requirements below must be met or completed within the deadlines indicated.

- Must be at least 18 years old prior to the course start
- For ESL students entering the program it is highly recommended to take an English assessment exam prior to registration. To register to take the exam, contact the BSC Testing Services Coordinator at (701) 224-5658.
- Computer or tablet for online learning
- Mandatory attendance for lab and clinical
- The ability to lift a minimum of 50 pounds
- 40-hour lab practice and 40-hour practicum rotation with minimal rest periods
- Students must have a passing grade in theory/lab before they can attend practicum
- A valid ND Certified Nursing Assistant license is strongly recommended.
- Proof of immunizations and a criminal background check with results are required to be provided ten (10) business days prior to the course start:
 - COVID-19 vaccination status must be disclosed due to federal reporting requirements of clinical facilities. Vaccination is optional, however, it MAY be required based on clinical facility placement. If required:
 - Proof of an approved one-dose or two-dose COVID-19 vaccination that includes a record of vaccine, the date of vaccine administration, lot number, and location of where the vaccine was administered.

Student Requirements (continued)

- Varicella (Chickenpox)
 - Immunity via childhood disease must be medically documented
 - Positive titer results may be accepted
- Measles, Mumps, Rubella
 - If born before 1957, 1 MMR dose
 - If born in 1957 or later, 2 MMR doses
 - Positive titer results may be accepted
- Tuberculosis
 - May be required to have a two-step TB test within three (3) months of the start of the clinical experience
- Influenza
- Hepatitis B Series (optional with a signed waiver)
- A Criminal history record check according to NDAC Article 54-07-02.1

Students will be required to adhere to the policies of the facility where placed for their practicum. These are not BSC requirements, but requirements of the facility. Clinical affiliation policies will be shared with you by your instructor and should be referred to for additional details and exemption allowances. BSC cannot guarantee an exemption request will be granted. Exemption requests must be inquired upon and are subject to review and approval by the facility. TB testing, seasonal flu and COVID-19 vaccinations are provided by Bismarck-Burleigh Public Health or the UND Center for Family Medicine.

UAP Registry requirement is due prior to the practicum start

Current ND UAP Registry must include a federal background check.

Initial applicants must submit:

- A Unlicensed Assistive Person Application
- A Criminal History Record Check (and associated fees) according to Chapter 54-07-02.1
- A Non-refundable \$60.00 fee to the ND Board of Nursing
- A Verification of Enrollment Form if applying as a student technician (BSC will provide to NDBON)
- **This is a pass / fail requirement.**

Temporary or permanent conditions limiting the ability to perform the essential student requirements must be communicated to the program manager.

Registration Requirements

- Complete an application (available at bismarckstate.edu/medicalassistant) and submit it in person at Bismarck State College National Energy Center of Excellence, 1200 Schafer Street, Room 107 or online to bsc.training@bismarckstate.edu
- Remit a non-refundable \$500 deposit to hold a seat either in person or by calling (701) 224-5600 (must accompany the completed application)
- Upon receipt of the application form and deposit, students will receive an email from bsc.training@bismarckstate.edu detailing how to create an online account with CastleBranch to upload the proof of immunizations and to initiate the criminal background check.
- The remaining tuition, less the deposit, is due ten (10) business days prior to course start date
- Registration closes **Friday, January 26, 2024**

Failure to complete registration requirements will delay access to the course.

**Dates subject to minor adjustments.*
