

Small Business. Big Impact.

Goldman Sachs 10,000 Small Businesses has helped entrepreneurs across the country grow their business for over a decade by offering a practical business training program, access to capital providers, and personalized support services.

Now, we are expanding, bringing this best-in-class training program to predominantly rural states across America. We encourage small business owners from North Dakota to apply today. Classes are delivered in-person and online. All costs are fully covered by the Goldman Sachs Foundation.
