

Advanced English (ESL)

This Advanced ESL class is for English learners with intermediate language skills who want to improve their fluency, accuracy, and writing. Advanced ESL is intended for students who have achieved level 4 English proficiency. Using the Future Advanced textbook and workbook, the class focuses on advanced grammar, vocabulary, and communication skills. Students will enhance their fluency in speaking, listening, reading, and writing through exercises, group discussions, and real-world scenarios. This class provides a challenging and supportive environment for students to further develop their English language proficiency and prepare for academic or professional success.

Class admission requirements include: (1) Students must demonstrate English language proficiency at level four (2) A 16-week commitment and (3) Any student missing more than two days or three hours of class time will be dropped out of the class, regardless of the reason. Registration closes two weeks before the class start date.

The fee for this class is \$250 and includes course materials. *Funding assistance for the full fee is available through a grant provided by U.S. Bank.* Financial assistance is awarded on a first-come, first-served basis and is limited to 20 students.

The class is limited to 20 students to allow for maximum learning experience. Enrollment is based on a first-come, first-served basis. Waiting lists are established once maximum enrollment is reached. Class is held in the National Energy Center of Excellence, 1200 Schafer Street, Bismarck.

Cancellation requests must be sent to the BSC Continuing Education office at least three working days prior to the start of the class. Students can call (701) 224-5600 for more information.
