

Read&Write

The following instructions are for the installation of Read&Write for Windows and logging into Read&Write. Bismarck State College has purchased an institutional site license. This license allows every BSC student, faculty, and staff member to download the software on their personal computer at no charge. The activation of Read&Write is based on an active Microsoft Office 365 account through Bismarck State College.

Installing Read&Write for Windows:

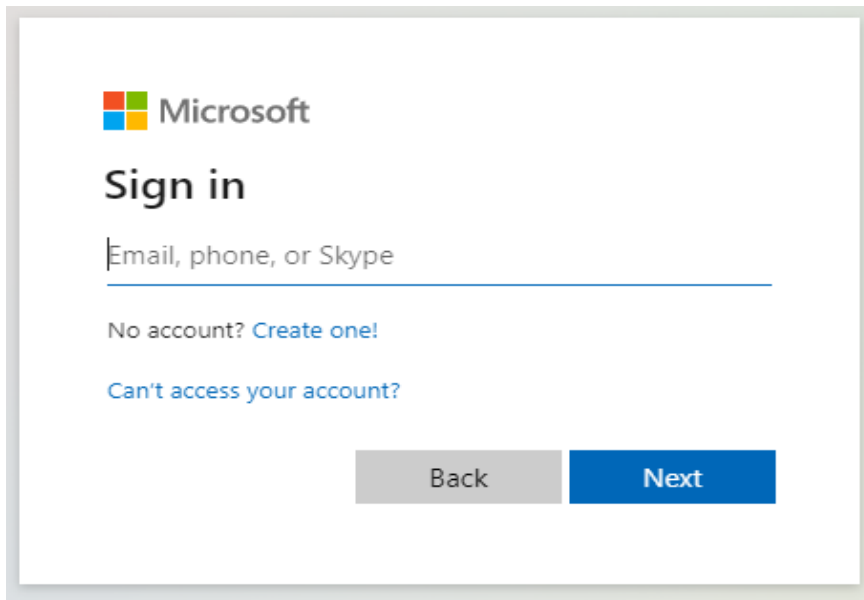

1. In your web browser visit: text.help/gethome or click on [Download Read&Write](#)
2. Download the trial version. In the middle of the screen you will see “Try Read&Write”. Click on it and a drop-down menu will appear.
3. Select the platform you would like to install. (For these instructions we selected “Windows US EN” platform). Once you select your platform the download will begin.
4. When download is finished, click on the “read&write.exe” executable and it will start the install.
5. When the install is finished, you will see the Read&Write icon on your desktop. 

Log in Read&Write:

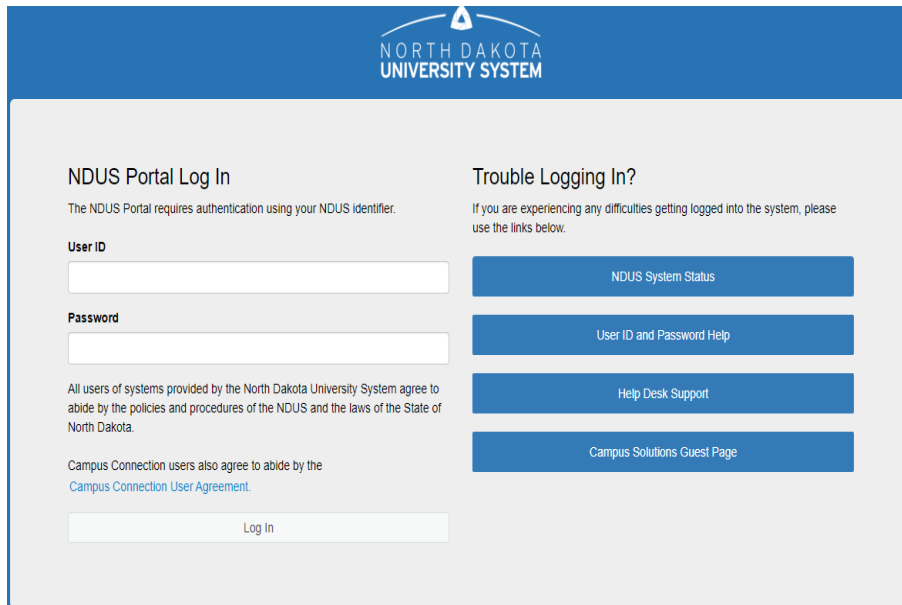

1. Click on the Read&Write icon on your desktop. Once it opens you will be presented with a number of ways to log in. Select “Sign in with Microsoft”.

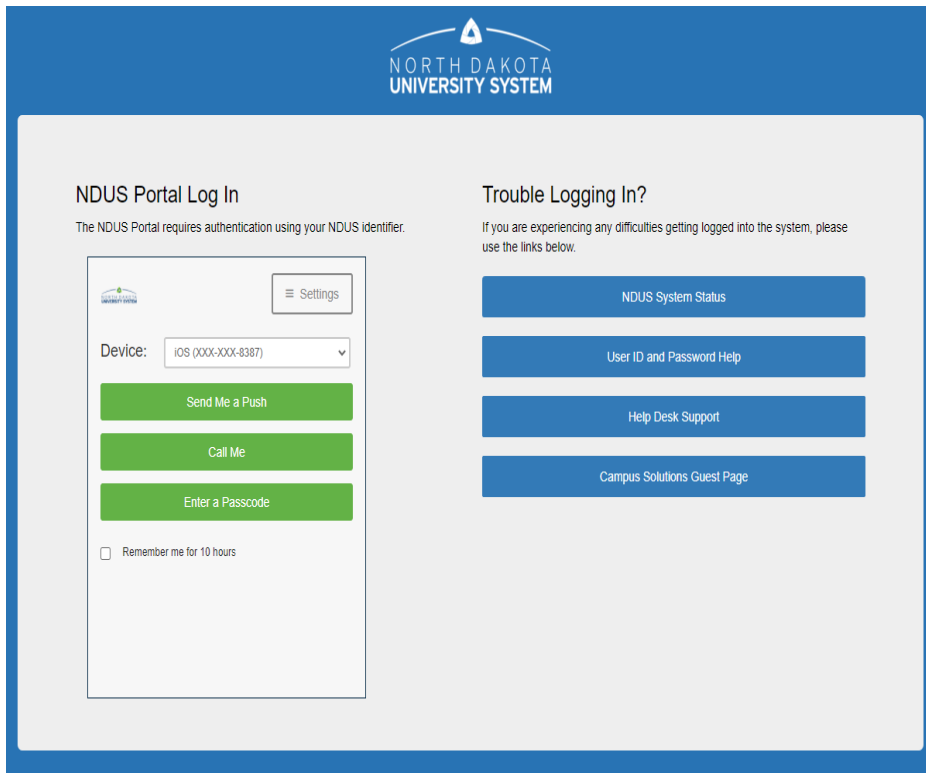

2. You will then be presented with the Microsoft Sign in screen. Type in your BSC credentials (typically first.last@ndus.edu). Make sure to use @ndus.edu at the end of your credentials. Then click “Next”.

3. You will then be presented with the NDUS Portal Log In screen. Put in your BSC credentials again (typically first.last@ndus.edu).

4. You will then be prompted to authenticate. Make sure you have your phone available and select the method you prefer to authenticate, (Send Me a Push, Call Me, or Enter a Passcode). Once you select an option you will need to approve your request on your phone. (This is necessary to activate the product).

5. Once logged in you will see the Read&Write toolbar at the top of your screen. You are now set to use Read&Write.

Support for Read&Write

Individuals that need additional support with installation or assistance on how to use Read&Write, should contact the Student Success Center (bsc.accessibility@bismarckstate.edu).
