1. Bismarck State College Code of Conduct Purpose

Bismarck State College (BSC) is a community dedicated to student success. Students live and work together in an atmosphere of mutual respect that is conducive to both personal and academic growth. Students are given considerable responsibility, and at times, intervention and education is necessary to increase the student's awareness of the effect of their actions on others in the community. BSC fosters student growth, learning, and empowers them to solve problems, communicate effectively, and contribute positively to the College and community.

The purpose of the Student Code of Conduct is to support a safe, healthy, and inclusive campus community that is conducive to learning where students act with honesty, integrity, civility, and respect for themselves and others. When students choose to attend BSC, they accept the rights and responsibilities of membership in the College's academic and social community and are expected to accept and adhere to the high standards of personal conduct. Any behavior that interferes with these goals, whether on or off campus, may constitute a violation of the Student Code of Conduct.

2. Scope

The student code of conduct applies to all BSC students; this includes all persons taking courses at the College, both full-time or part-time, credit and non-credit. Individuals who are not officially enrolled but maintain a continuing academic relationship with the College are also considered students. Conduct proceedings will continue to resolution regardless of a student's enrollment status, as the alleged behavior occurred while the individual was actively enrolled.

3. Students' Rights

Students at BSC have the following rights. They also have the responsibility not to deny these rights to other members of the BSC community.

- **Academic evaluation:** Students have a right to have their performance evaluated promptly, conscientiously, and without prejudice or favoritism, consistent with the criteria stated at the beginning of the course in the form of a syllabus. Students have a right to be evaluated in an atmosphere that values academic integrity.
- **Classroom rights:** Students have the right to receive reasonable notice of the general content of the course and notice of what will be required of them at the beginning of the course in the form of a syllabus.

- **Freedom from discrimination:** Students have a right to be free from discrimination. The College prohibits discrimination against a student because of their race, color, gender identity, national origin, age, religion, sexual orientation, genetic information, marital status, disability, veteran's status, or any other status protected by law.
- **Grade Appeal:** Students have a right to appeal a final course grade if they believe it does not correctly reflect their performance in the course. Students should discuss the grade with the instructor. If the matter is not resolved with the instructor, the appeal should be discussed with the appropriate Assistant Dean. If the matter is still not resolved, it should be discussed with the appropriate Academic Dean. If the matter remains unresolved, the student may appeal the issue to the Standing Committee on Grade Appeals.
- **Learning environment:** Students have a right to an environment and climate conducive to learning and thinking. Students have a right to reasonable access to College facilities, services, and programs, including access to faculty members and to courses as described in the College catalog. College teaching should reflect consideration for the dignity of students and their rights as individuals. Students have a right to be treated with courtesy and respect.
- **Privacy and confidentiality:** Students have a right to privacy and confidentiality subject to BSC rules and state and federal law, including the Family Educational Rights and Privacy Act (FERPA). Students have a right to be free from unreasonable searches and seizures.
- **Retaliation:** Students have a right to file grievances without retaliation. BSC prohibits retaliation against students who file reports of possible non-compliance. Any retaliation against an individual for participating in the reporting process will not be tolerated.
- **Student records:** Students have a right to educational records that accurately reflect their performance. Students have a right to examine and challenge information in their educational records.
- **Student government and organizations:** Students have a right to participate in a BSC Student Government Association and to form student organizations for any lawful purpose.

adversely affects the College community and/or the pursuit of its objectives. BSC's jurisdiction and discipline shall be limited to violations of the BSC Student Code of Conduct.

Students are expected to conduct themselves in a responsible manner at all times, whether on or off campus. If a student or student organization is reported for a violation of the law on or off campus, BSC will cooperate with appropriate law enforcement officials as the law permits. 6. Alleged Violation Resolution Process

As outlined in [North Dakota State Board of Higher Education \(SBHE\) Policy 305.1](#), BSC's President shall assume responsibility for the establishment of guidelines for student conduct which set forth prohibited conduct and provide for appropriate disciplinary procedures and sanctions for violation of institutional rules, consistent with standards of procedural fairness.

All alleged violations of BSC's code of conduct shall use a "preponderance of the evidence" standard, meaning that in order for someone to be held responsible, the evidence must show that it is more likely than not that the violation occurred.

BSC's Vice President for Student Affairs, as delegated by the President, is responsible for supervising the College's process and response to student violations of College rules and regulations, including the imposition of sanctions.

A typical student conduct process generally follows a structured progression, beginning with an initial report and moving through an investigation, a student conduct meeting, and notification of a decision. However, as new issues may emerge during an investigation, adjustments may be necessary to ensure safety. If details suggest an elevated risk to the campus community or the student involved, the process may include additional steps such as a temporary emergency suspension or other protective measures. These modifications are implemented to uphold institutional values while maintaining procedural integrity.

Cases related to Title IX compliance will follow the process as outlined in the [520.0 Sexual Harassment and Title IX Compliance Policy](#) and the [520.0 Sexual Harassment and Title IX Compliance Policy Procedure](#).

Summary of BSC's resolution process:

1. Receipt of an incident report,
2. Notice of Alleged Violation / Investigation,
3. Investigation
4. Implementation of interim measures, if necessary,
5. Implementation of permissible supportive measures, if necessary,
6. Temporary emergency suspension, if necessary,
7. Student Conduct Meeting,
8. Hearing (only in cases of suspension and expulsion),
9. Notification of decision, including sanctions, and terms and conditions, as assigned, and appeal process,
10. Appeal (if student chooses),

11. Notification of appeal decision (if applicable).

Detailed description of BSC's resolution process:

The resolution process may typically occur in the following order. Depending on the circumstances, some steps may take place simultaneously or in a modified order.

1. Incident

The process begins when an incident occurs. Any member of the College community may file a report alleging that a student or student organization has violated policy as outlined in the BSC Student Code of Conduct. Persons wishing to report an alleged violation of BSC's Student Code of Conduct should do so as soon as information regarding the alleged violation is received.

Reporting an Alleged BSC Student Code of Conduct Violation

- Contact BSC's Community Standards Coordinator at: 701-224-2540 or bsc.conduct@bismarckstate.edu;
- Visit BSC's Community Standards Coordinator at 1425 Schafer Street, Room 225, Office 225B Bismarck, ND 58501;
- Complete the [General Concern Report](#);
- Academic Deans, Assistant Dean and faculty will be notified of situations that occur in the academic environment.

2. Notice of Alleged Violation

The accused student will be contacted through BSC student email, phone call or in person, to arrange an informal meeting. The notice of alleged violation may include when known:

BSC will provide the student written notification of a formal hearing at least three business days prior to the hearing date. Students may consent to a shorter notice period.

3. Investigation of the Incident

Investigation refers to the process of gathering facts, details, and circumstances related to an alleged violation. The investigation may include interviewing witnesses, reviewing documents, or taking other steps necessary for the Community Standards Coordinator or designee to determine whether the allegation is warranted. A Notice of Delay may be issued if circumstances require additional time to complete the investigation or if external factors, such as witness availability or concurrent processes, impact the timeline.

Following an investigation, the matter may result in resolution through the BSC Student Code of Conduct process, referral for criminal proceedings, or dismissal of the allegation. Prior to the dismissal of any alleged violation, the case will be reviewed by the Conduct Hearing Panel.

Alleged violations that may result in criminal charges will be referred to the Campus Police Chief.”

4. Interim Measures

In the interest of safety and security, interim actions may be implemented by the Community Standards Coordinator or designee prior to a completed investigation or conduct hearing. Specific actions will be based on the circumstances of the allegations and may include, but not be limited to, no contact orders, housing/workplace changes, loss of privileges, etc.

5. Permissible Supportive Measures

BSC will coordinate supportive measures with respect to the parties’ situations. Questions regarding or requests for supportive measures can be made to BSC’s Community Standards Coordinator. Violation of these supportive measures may be considered grounds for additional reports or as retaliation for the ongoing investigation. BSC will treat all students equitably by offering supportive measures. Some possible supportive measures include but are not limited to: counseling; extensions of deadlines or other course-related adjustments; modifications of work or class schedules; campus escort services; mutual restrictions on contact between the parties; changes in on-campus work or housing locations; leaves of absence; increased security or monitoring of certain areas of campus; law enforcement resource assistance.

6. Temporary Emergency Suspension

A student may be placed on temporary emergency suspension by the Community Standards Coordinator or designee when the student’s actions or threats of action present a serious risk to the safety or welfare of individuals or property. Students suspended under these circumstances may be offered the option to fully withdraw from the College with a full refund of tuition and fees. Housing and dining charges will be refunded according to North Dakota State Boards of Higher Education Policy 830.2 and North Dakota University System Procedure 830.2.

Temporary Emergency Suspension may significantly impact academic progress, as investigations can be lengthy and may disrupt normal degree completion timelines.

Temporary emergency suspension is used to:

- To ensure the health, safety or well-being of members of the College community;
- To preserve College property;
- To ensure the suspended student’s own physical and emotional safety and well-being, or
- To ensure against disruption of, or interference with, normal operations of the College.

No hearing will be required before a temporary suspension is imposed; however, an Temporary Emergency Suspension Hearing will be convened within five working days following the temporary suspension. In unique circumstances, any alteration to this timeline will be made at

the discretion of the Community Standards Coordinator or designee. The purpose of an Emergency Suspension Review Hearing is to determine if an Emergency Suspension should remain in effect until the Notification of Decision is delivered. If the suspension is upheld following the investigative process, the suspension remains subject to the rules outlined in the above-mentioned Suspension section and remains a matter of permanent record. Refer to section 8 for additional procedures for resolving alleged suspension and expulsion violations.

7. Student Conduct Meeting

During the Student Conduct meeting, the Community Standards Coordinator or designee will discuss all information contained in the Notice of Alleged Violation. Should a student or student organization choose an attorney to act in an advisory role. The role of an attorney shall be to advise his or her client, not to participate in the meeting.

In some cases, an expedited process may be appropriate.

If it becomes apparent the case may warrant suspension or expulsion during the reporting process, investigation, or at any point during the Student Conduct Review Meeting, the Community Standards Coordinator or designee will refer the case to BSC Conduct Hearing Panel. If the Community Standards Coordinator or designee is unable to decide the case due to a conflict of interest or any other reason, they will contact the BSC Conduct Hearing Panel Chair to identify an alternate decision maker.

Should additional information be provided during the student conduct meeting that necessitates additional investigation, additional time may be needed to investigate the new information.

8. Notice of Delay: The Community Standards Coordinator or designee will provide written notification to the student if a delay occurs in the conduct process. This Notice of Delay will be delivered to the student's official BSC email account or sent via U.S. postal mail.

9. Notification of Decision

The Community Standards Coordinator or designee will provide written notice of findings via BSC student email account or through US postal mail to the student stating whether or not a violation of student policy and/or conduct occurred. The written notice of decision will include sanctions, terms and/or conditions, if any, and appeal procedures. The notice will generally be provided within 5 business days following the conclusion of the investigation and the conduct meeting or hearing. In unique circumstances, any alteration to this timeline will be made at the discretion of the Community Standards Coordinator or designee.

10. Appeal

If a student is found responsible for violating College policy, the student may make one appeal. An appeal must be made in writing within 5 business days following the date of the sanction

and/or decision. All appeals are submitted to the Vice President for Student Affairs or designee.

Vice President for Student Affairs
bsc.studentaffairs@bismarckstate.edu
701.224.5638
Jack Science Center, Room 307
Bismarck, ND 58501

The written appeal must contain the reason for the appeal. The process of appeal is not for retrying or rehearing a case. Appeals must meet one of three criteria:

- New evidence exists, which was not presented at the hearing because it was not reasonably known to the accused student at the time, and which is sufficiently relevant such that it could alter the decision,
- The College's failure to follow its own processes and procedures, or
- The severity of the sanction was not consistent with the severity of the offense.

BSC's Vice President for Student Affairs or designee will review the written letter of appeal from the student and materials from the original meeting. In reviewing the appropriateness of sanctions, the student's entire conduct file may be considered. Upon review of the letter of appeal and materials from the original meeting, BSC's Vice President for Student Affairs or designee may schedule a Student Conduct Appeal Meeting with the student to review the appeal. Should the student decline the meeting or not attend, the Vice President for Student Affairs or designee will close the case using the information provided within 10 business days of attempting to schedule the Student Conduct Appeal Meeting.

The decision may be upheld, overturned, or modified. Determination shall be made based on the grounds for appeal and by a preponderance of the evidence.

11. Notification of Appeal Decision

The decision regarding the appeal will generally be made in 10 business days of receipt of the appeal, but may take longer during College recesses or in the event of complex cases. The Vice President for Student Affairs or designee's decision is final and binding upon all involved.

7. Suspension or Expulsion Resolution Process

BSC Conduct Hearing Panel

The BSC Conduct Hearing Panel are the BSC representatives assigned to process an alleged violation of College policy that may result in suspension or expulsion. The Community Standards Coordinator or designee will refer any case that may result in suspension or expulsion to the BSC Conduct Hearing Panel. In accordance with [the North Dakota State Board of Higher Education \(SBHE\) Policy 514](#), the BSC Conduct Hearing Panel involves the student or student organization who is named in the Notice of Alleged Violation, the BSC Conduct Hearing

Panel and any other individuals necessary to determine if a violation of the Code of Conduct occurred. At this hearing, the student has the right to make a written and/or oral statement describing the event(s) that led to the allegations.

1. Notice of Hearing:

The BSC Conduct Hearing Panel Chair shall provide written notice to any student or student organization involved in a disciplinary process regarding an alleged violation of campus policies that may result in suspension or expulsion.

- The notice must identify the specific allegation against the student or student organization.
- The notice must be provided to the parties at least three business days prior to any hearing or deadline for a response from the student.
- The notice must include information about the right to an advisor at any proceeding.
- The notice requirement is waived if the recipient consents to a shorter notice period or for the initiation of interim measures or emergency actions.

The student has the right to have a person present who may act in an advisory capacity. Advisors may not serve as witnesses. If a student chooses to have an attorney present at their hearing, BSC may also request legal representation be present. In cases that could result in suspension or expulsion, attorneys or non-attorney advocates may fully participate, which means they may make opening and closing statements, examine and cross-examine through the BSC Conduct Hearing Panel Chair, present witnesses during the hearing, and provide support, guidance, and advice to the student throughout the process.

In all cases involving an allegation of sexual harassment or sexual misconduct, the student named in the Notice of Alleged Violation and the alleged victim shall have equal procedural rights as detailed in the [§20.0 Sexual Harassment and Title IX Compliance Policy](#) and the [§20.0 Sexual Harassment and Title IX Compliance Policy Procedure](#).

BSC Conduct Hearing Panel Chair will provide written notice of the hearing findings via BSC student email account or through US postal mail, indicating if the conduct violated College policy as outlined in the BSC Student Code of Conduct. BSC employs the preponderance of evidence, or “more likely than not” standard of proof. A student is found to have violated policies and conduct in the BSC Student Code of Conduct when the student admits to the violation or information available at the time of the hearing supports the finding of responsibility.

2. Notification of Decision

The BSC Conduct Hearing Panel Chair will provide written notice of findings via BSC student email account or through US postal mail to the student stating whether or not a violation of student policy and/or the code of conduct occurred. The written notice will include sanctions, terms and/or conditions, if any, and appeal procedures. The notice will generally be provided within 10 business days following the hearing.

3. Appeal

If a student is found responsible for violating College policy, the student may make one appeal. An appeal must be made in writing within 5 business days following the date of sanction and/or decision. All appeals are submitted to the BSC Decision Maker, whose contact information will be provided in the Notification of Decision.

The written appeal must contain the reason for the appeal. The process of appeal is not for retrying or rehearing a case. Appeals must meet one of three criteria:

- a. New evidence exists, which was not presented at the hearing because it was not reasonably known to the accused student at the time, and which is sufficiently relevant such that it could alter the decision,
- b. The College's failure to follow its own processes and procedures, or
- c. The severity of the sanction was not consistent with the severity of the offense.

BSC's Decision Maker will review the written letter of appeal from the student and materials from the original hearing. In reviewing the appropriateness of sanctions, the student's entire conduct file may be considered. The decision may be upheld, overturned, or modified.

The determination shall be made based on the grounds for appeal and by a preponderance of the evidence.

4. Notification of Appeal Decision

The decision regarding the appeal will generally be issued within 10 business days of receipt of the appeal; however, additional time may be required during College recesses or in complex cases. The BSC's appeal decision is final and binding upon all parties.

8. College Disciplinary Sanctions

BSC's Sanction Philosophy (Appendix 1) outlines factors that may be considered in determining appropriate sanctions.

A sanction is a consequence placed upon any student for violations of specific College policies. Sanctions help define the student relationship with the College in the context of current and potential future behavior, including a notice that further conflicts may lead to more severe behavioral sanctions. This is not an exhaustive list.

Possible Sanctions

Individual students who are found in violation of College policy may be subject to one or more of the sanctions below.

- **Behavior Contract**- The intent of the Behavior Contract is an individualized written agreement that is used to change and detail expectations for student behavior(s).
- **Community Service** - A sanction that actively engages students in the student conduct process by positively impacting and giving back to the BSC community. Students may also develop and foster positive relationships with other individuals throughout the campus community.
- **Conduct Probation** - Conduct probation is a written notification that a student is not in good conduct standing for a specified period of time. The specific conditions of the probation will be determined on a case-by-case basis.
- **Confiscation** - In addition to items seized as evidence, goods used or possessed in violation of College policies and/or local, state or federal laws, may be confiscated and not be returned to the student. This includes, but not limited to, falsified information or identification.
- **Consultation** - A student may be required to attend a formal meeting with the Community Standards Coordinator or designee in which the actions that warranted the complaint are examined. A typical goal of the consultation is to discuss the competencies of a successful College experience, career, and life and to maximize the student's opportunities for growth.
- **Discretionary sanctions and/or conditions** – Work assignments, service to the College, confiscation, educational projects, alcohol and drug testing and/or screening, participation in a specific program.
- **Eviction** – The formal removal of a student from College housing (following the process outlined in the [Residence Hall Handbook](#) located under Additional Resources).
- **Expulsion** – A written notification that the student is permanently denied the privilege of enrollment at the College. This is a matter of permanent record.
- **Fine** – The imposition of a monetary penalty.
- **Interim action** – Immediate action (prior to a completed investigation or formal hearing) to ensure the safety and protection of all individuals involved, including BSC property. Specific actions will be based on the circumstances of the allegations and may include, but are not limited to no contact orders, housing/workplace changes, loss of privileges, or temporary emergency suspension.
- **Letter of Apology/or Reflection** - A reflective letter describing the misconduct and acknowledging wrong-doing. This letter may be addressed to a specific person reflecting on the incident and how your actions impacted your community as well as the individual(s) you are apologizing to. It is not meant to justify your actions; defensiveness or inappropriate language will not be accepted.
- **Loss of privileges** – Loss of privileges may include, but are not limited to participating in or attending an event, receiving guests in residence halls, using network services, representing the College, and receiving financial aid.
- **Mediation** - A way of resolving disputes between two or more parties wherein the parties meet with a mutually selected impartial and neutral person who assists them in the negotiation of their differences.
- **No contact order** – Students may be prohibited from direct or indirect physical and/or verbal contact with another individual or group.
- **Parental Notification** - The Family Educational Rights and Privacy Act (FERPA) permits an institution of higher education to make disclosures to parents or legal guardians regarding determined sanctions with respect to the illegal use of alcohol and/or other drugs if the

student is less than 21 years of age and has been found responsible for violating the Code of Conduct. The institution's primary relationship is with the student, and BSC's goal is to encourage individual personal growth and development. When such growth and development seems unlikely to occur without parental involvement, the College reserves the right to engage parents or guardians in that process.

BSC may choose not to notify parents or guardians of violations of the Student Code of Conduct in an effort to support and encourage students to engage in voluntary conversations about such incidents with their parents or guardians as well as to encourage personal development.

Parents or guardians of students under 21 may be contacted by BSC personnel following alcohol and/or other drug related incidents:

- If a student is found responsible for violating the College's alcohol/drug policy that results in a College referral for assessments or evaluations for chemical dependency, and/or when College sanctions of Conduct Probation or greater are assigned.
 - Based on situations that appear to endanger the health, safety, or life of other persons or the student.
 - If an individual is involved in incidents that resulted in significant property damage.

9. Amnesty Clause

12. Appendix 1

BSC STUDENT SANCTION PHILOSOPHY

Purpose: This philosophy provides recommendations for violations of the BSC Code of Conduct and to ensure consistency among campus conduct managers and hearing panels when issuing sanctions. It is sound practice for conduct managers and hearing panels to sanction within the established guidelines: however, the following recommendations are not prescriptive. Conduct managers and hearing panels are empowered by the BSC Code of Conduct to utilize their professional judgement when weighing the aggravating and mitigating factors that may exist in each incident to determine the most appropriate sanctioning for the development of the individual student and the common good of the campus community.

Goals: Sanctions are designed to achieve the following goals:

- To reestablish order while considering the common good, which sometimes necessitates the temporary or permanent removal of a student from the college community;
- To repair the harm for those impacted;
- To restore a student to good standing within the college community, provided the safety of the community is jeopardized by the individual's presence;
- To address the cause of the violation and to allow students to reflect upon their actions and their impact on themselves, others, and the college community.

Sanctioning Considerations:

The following factors may be considered to guide the range and variation of sanctions.

- The BSC Sanction Philosophy;
- The nature and severity of the incident;
- The development needs of the student;
- Any prior conduct history of the student;
- The need to remedy the effects of the incident on others;
- The level of accountability and cooperation taken by the student;
- The level of risk and/or harm of the student to the campus community;
- Any other aggravating, mitigating, or relevant factors.

Aggravating factors:

An aggravating factor is a circumstance, or a set of circumstances, that may result in more significant sanctions for a violation of the BSC Code of Conduct. Examples of an aggravating factor may include, but are not limited to:

- Nature and Severity of the Incident
 - Committing multiple violations of the Code during a single incident
 - Committing a violation of the Code that results in significant injury, trauma, and/or harm to another person, property, and/or the college community
- Alcohol and Other Drugs
 - Committing a violation of the Code while under the influence of alcohol and/or other

- drugs
 - Committing a violation of the Code in connection with participating in a high-risk drinking activity, such as binge drinking, drinking games, and/or using alcohol-related items
- Prior Student Conduct History
 - Committing multiple violations of the Code throughout the student’s tenure at the College
 - Committing a violation of the Code while an active sanction (until any sanction is completed, it is still considered “active”)
- Bias-Related and Retaliatory Conduct
 - Committing a violation of the Code with bias or retaliation against another individual
 - Committing a violation of the Code against another individual that is motivated by that individual’s involvement in the filing or investigation of a student conduct complaint

Mitigating Factors:

A mitigating factor is a circumstance or circumstances, that may merit consideration of a lesser sanction. Examples of a mitigating factor(s) may include, but are not limited to:

- Nature and the Severity of the Incident
 - Total number and severity of Code violations
 - Committing a violation of the Code that was in self-defense and/or defense of others
- Accountability and Responsibility
 - Committing a violation of the Code but exhibiting a significant amount of cooperation with the College and public officials responding to the incident

Bias-Related and Retaliatory Conduct:

Bias-Related Conduct

The College’s commitment to respect for all members of the community and bias related conduct may be considered an aggravating factor for any violation of the Code, regardless of the seriousness of the violation.

Bias-related conduct refers to language and/or behaviors which demonstrate bias against an individual (or group of individuals) because of, but not limited to, and individual’s actual or perceived: age, color, disability, gender expression/identity, genetic information, marital status, national origin, public assistance status, race, religion, sex, sexual orientation, status as a U.S. veteran, or status as law enforcement.

Retaliatory Conduct

Retaliatory conduct refers to conduct that adversely and unjustifiably affects another’s terms

and conditions of employment, educational experience, or quality of life and that is motivated by an intent to cause harm because of the targeted individual's involvement in the filing or investigation of a student conduct complaint.

It is contrary to College policy for any individual to engage, whether directly or indirectly, in retaliatory conduct directed against a person who files a complaint or participates during an investigation of such a complaint. Retaliatory conduct may be considered an aggravating factor.

Types of Sanctions:

Reestablish and Repair

Students may receive sanctions focused on reestablishing order within the community and repairing caused harm. The sanctions follow different tracts related to a student's enrollment and housing status at the College.

Specifically, these types of sanctions may include:

- Written Warning
- Community Service
- Mediation
- Behavior Contract
- Trespass from all or portions of Campus
- Eviction from College-owned Housing
- Suspension
- Temporary Emergency Suspension
- Expulsion
- Participation in a Specific Activity or Project
- Restricted Access
- Loss of Privileges
- No Contact Order
- Confiscation
- Registration/Graduation Hold
- Recommendation to the Vice President for Academic Affairs to Withhold or Rescind Degree

Restore

Fines and restitution may be used to restore a student to good standing within the college community and compensate those impacted by a student's behavior.

- Restitution
- Fines
- Community Service
- Apology Letter

Reflect

Consistent with BSC's mission to promote community and individual student well-being, reflection and developmental sanctions can be used alone or in conjunction with other sanctions to balance individual accountability with educational opportunities for a student. Reflection and developmental sanctions cannot be assigned via a "one size fits all" standard since each student possesses a unique set of characteristics that may contribute to his/her behavior. These sanctions are structured by the conduct officer or hearing board to allow each student the best opportunity to reflect, gain new information, and consider more deeply how his/her behavior impacts him/herself and the community. As a result, these sanctions include educational projects, may include, but are not limited to:

- Consultation
- Referral to Special Classes or Counseling Sessions
- Parental/Guardian Notification
- Reflection Paper
- Agreement
