

Student Procedure – Academic Suspension Readmission

Students seeking readmission or admission to Bismarck State College from academic suspension for the first-time must sit out for at least one semester (summer session will not constitute a semester). If the student has multiple suspensions they must sit out for at least two semesters (summer session will not constitute a semester). Bismarck State College honors suspensions of other institutions.

Procedure:

To be considered for Readmission the student must:

- Submit a [BSC Application for Admission](#).
- Complete the [Academic Suspension Readmission Request form](#).
- Contact the Mystic Advising and Counseling Center at 701-224-5752 or BSC.Advising@bismarckstate.edu to review the readmission request with an Academic Advisor.
- In order to prepare for a successful semester, it is strongly recommended the student completes the above process at least **two weeks** prior to the start of the student's first course.

If the request is approved:

- The Academic Advisor will assist the student with developing a student readmission plan.
- The student will be notified by the Academic Records Office when they are eligible to enroll in course(s).
- The Academic Advisor will conduct outreach to the student during their first semester to review progress towards academic goals, provide academic mentoring, and refer for support services when beneficial. Outreach efforts may coincide with early alert, midterms, prior to drop/withdrawal deadlines, and prior to current student registration.
- An Academic Suspension Reinstatement hold may be placed on the student's account to require the student to meet with the Academic Advisor prior to registering for courses for the second semester following a suspension.
- Students who are reinstated from Bismarck State College Academic Suspension will be placed on academic probation and should refer to the Academic Probation section of the Student Policy – Academic Standing. The unofficial and official transcript will reflect academic suspension/reinstated on probation.
- Students who are reinstated from Academic Suspension from another institution need to refer to the Student Policy – Academic Standing at the end of their first semester to determine their initial Bismarck State College Academic Standing.
