

Student Policy - Student Eligibility for Intercollegiate Athletics

Eligibility Requirements:

Students participating in intercollegiate athletics at Bismarck State College must conform to the Rules of Eligibility of the National Junior College Athletic Association, the eligibility of the conference with which the College is affiliated, and in accordance with the Student Conduct Policy of the College.

Limits and Regulations:

1. The responsibility for insuring that student athletes are in conformance with NJCAA and conference eligibility rules is delegated to the Director of Athletics, or administrator assigned such duties.
2. The College President may declare a student ineligible for intercollegiate athletics due to unacceptable student conduct.
