

Student Policy - Course Drop, Withdrawal to Zero Credits, Drop/Withdrawal Appeals

Policy:

Bismarck State College has established procedures for course drop, withdrawing to zero credits and drop/withdrawal appeals.

BSC policy is in compliance with SBHE 830.2 Refund Policy and 830.2 Refund Procedures.

It is the student's responsibility to make sure all transactions have been completed. Students have the ability to view their account and class schedule online 24/7 to verify transactions are complete and accurate.

IMPORTANT: Students who are registered for classes at BSC are responsible for the balance due in full on or before established deadlines. BSC Dates and Deadlines may be obtained <https://bismarckstate.edu/academics/records/calendarsdeadlines/>.

Course Drop:

This procedure allows a student the ability to drop some courses (not all courses) based on term date and deadline regulations; however, student will still maintain enrollment in some courses for the term.

Limits and Regulations:

1. Students must drop a course in CampusConnection. Students must adhere to the Dates and Deadlines schedule for each applicable term.
2. Failure to drop a course in CampusConnection, on or before the last day to drop, will result in earned grades.
3. The date the student successfully completes the course drop in CampusConnection will determine the transcript and refund outcome.
4. Courses where grades have already been earned or completed may not be dropped. (Non-attendance results in an earned grade.)

5. For the standard 16 week session in the common Fall and Spring terms, the last day to drop a course without transcript record is the 11th calendar day of the term.
6. For the standard 16 week session in the common Fall and Spring terms, the last day to drop a course with transcript record (“W” will be recorded) is the Friday of the 12th class week of the term.
7. For non-standard sessions, the last day to drop a course with or without transcript record will be prorated based on the 16 week session. (refer to the Dates and Deadline schedule at <http://www.bismarckstate.edu/current/records/calendarsdeadlines/>)
8. Refunds are based on the course start and end date listed in CampusConnection.
9. Students receive a 100% refund up through 8.999% of the class. (No refund is given for courses dropped after the 8.999% deadline)

Procedures:

1. Students must drop a course in CampusConnection prior to the final deadline.
2. Help sheets are available online at <https://bismarckstate.edu/academics/academicresources/campusconnectionhelp/>.

Withdrawal to Zero Credits:

This procedure allows students to withdraw to zero credits for the term.

Limits and Regulations:

1. Students may only use the Withdraw to Zero Credits form if grades (A-F) have not been earned in any courses and if ALL courses fall within the Last Day to Drop/Withdraw deadline.
2. Withdrawals submitted after the deadline will be not processed and will result in earned grades.
3. Students who have received grades (A – F) in any courses for a term are considered to have earned college credit for those courses; therefore, are unable to withdraw to zero credits. The student must complete the course drop process in CampusConnection for all courses that are not yet graded and must follow all limits and regulations as established in the course drop policy.
4. Students who submit the Withdraw to Zero Credits form, and do not qualify for a withdrawal to zero credits, may automatically be processed as a drop with potentially no refund by the Academic Records Office.
5. The withdrawal date will be posted on student transcript after the process is completed by the appropriate offices.
6. The date the Withdraw to Zero Credits form is received in the Academic Records Office will determine the transcript and refund outcome.
 - 100% refund up thru 8.999% of the class length
 - 75% refund from 9.0% thru 34.999% of the class length
 - 50% refund from 35. 0% thru 59.999% of the class length

- 0% refund from 60.0% thru 100% of the class length
6. For the standard 16 week session in the common Fall and Spring terms, the last day to withdraw is the Friday of the 12th class week of the term. Withdraw date will be noted on the transcript.
 7. For non-standard sessions, the last day to withdraw will be prorated based on the 16 week session.
 8. Refunds are based on classes enrolled in at the time the withdrawal is received. Prior classes that have been dropped through the CampusConnection process are not a part of the withdrawal process.
