BSC has cooperative agreements with Dickinson State University and Minot State University allowing student's to pursue a Bachelor's Degree in this area on Bismarck's campus.

BUSINESS. FINANCE. MANAGEMENT.

Take advantage of affordable tuition rates and well-rounded transfer options in business, finance and management programs. You'll learn from faculty and curriculum that focuses on the fundamentals while fostering innovative thinking to help you shine in today's business world. Learn everything you need to advance on to further your education.

ACCOUNTING

Through the study of accounting, you will learn to record, classify and summarize money, transactions, financial events and statements. Curriculum includes a combination of general education classes with focused coursework in accounting and other business administration that results in a basic understanding of the world of business.

BUSINESS ADMINISTRATION

Learn all aspects of overseeing and supervising business operations through the study of business administration. Curriculum includes a combination of general education classes with focused coursework in accounting, economics, marketing, law and ethics, and statistics.

ECONOMICS

Studying economics helps students apply an analytical approach to thinking that will enhance future studies and endeavors. Curriculum includes a combination of general education classes with focused coursework in business law and accounting, statistics, and how micro- and macroeconomics principles function under economic structures, policies and capital markets.

MANAGEMENT

Learn to be a leader and manage business and organizational operations. Curriculum includes a combination of general education classes with focused coursework in accounting, economics, marketing, law and ethics, and statistics.

Students can earn an Associate in Arts and/or Associate in Science with each of these program options. BSC offers transferable AAS degrees in Management, Financial Technologies and Management Entrepreneurship.
