

ORGANIZATIONAL MANAGEMENT AND LEADERSHIP

ON CAMPUS • ONLINE • BACHELOR OF APPLIED SCIENCE

CAREER opportunities

Regional job statistics indicate 2,500+ job openings due to labor force shortages and occupational transfers created in the management sector. Career opportunities include opening your own business, managerial positions within a wide variety of retail organizations, sales manager, project manager, operations manager or business development managers. These are just a few of the most popular options available upon completion of an Organizational Management & Leadership degree.

HANDS-ON LEARNING **WORKFORCE READY.**

Customize your path to leadership.

With BSC's Bachelor of Applied Science in Organizational Management and Leadership, you can apply previous college credit or stack in-demand certificates to build a degree that fits your goals.

You'll strengthen your communication, leadership, and management skills, preparing you for a wide range of careers in business across any industry. Whether you're aiming to advance in your current role or launch your own business, this flexible program gives you the knowledge and confidence to lead effectively.

STACK CERTIFICATES TO BUILD A DEGREE

Students can stack the Entrepreneurship, Management, Sports and Fitness Entrepreneurship, and Sports and Fitness Management certificates directly into the Bachelor of Applied Science in Organizational Management and Leadership. These stackable options allow you to tailor your degree to your interests, whether you're focused on launching a business, managing teams or leading in the sports and fitness industry—while maximizing the credits you've already earned.
