

MEDICAL LAB TECHNICIAN

LIMITED ENROLLMENT
ON-CAMPUS

A critical shortage of MLTs exists throughout the nation. Based on the Lightcast report, of the number of monthly postings, nearly 60% are not filled within the region.

CAREER opportunities

- Hospital Lab
- Clinic Lab
- Forensic (Crime) Labs
- Industrial Labs
- Research Lab
- Veterinary Labs
- Public Health Labs
- Instrument Sales & Repair
- Education

BSC's MLT program is accredited by the National Accrediting Agency for Clinical Laboratory Science, 5600 N. River Road, Suite 720, Rosemont, IL, 60018-5119. Phone: 773-714-8880.

This program receives funding from the U.S. Department of Labor, veterans and eligible spouses receive priority of service over non-covered persons. (20 CFR 1010)

HANDS-ON LEARNING. WORKFORCE READY.

Develop the technical skills needed to start your career as a Medical Laboratory Technician.

With Medical Laboratory Technician (MLT) degree from BSC, you'll learn how to perform high complexity laboratory tests that aid physicians in the diagnosis and treatment of disease. While as an MLT you'll spend less time with patients than physicians and nurses, you'll have the satisfaction of knowing you are helping others and saving lives as a vital part of the health care team.

The 2.5 year MLT curriculum at BSC includes both theoretical and hands-on applications, including a 20+ week rotation through one of our clinical affiliates. Students can begin employment after graduation and transfer into a four-year Medical Laboratory Science program completely online while working. BSC also educates MLT students through our satellite location at Miles Community College in Miles City, Montana.

PRESCRIBED TECHNICAL PROGRAM REQUIREMENTS

MLS 101	Introduction to Medical Laboratory Science
MLS 105/105L	Phlebotomy and Laboratory Procedures & Laboratory
MLS 114/114L	Urinalysis and Body Fluids & Laboratory
MLS 116/116L	Clinical Parasitology and Mycology & Laboratory
MLS 202/202L	Immunology and Molecular Diagnostics & Laboratory
MLS 230/230L	Clinical Chemistry & Laboratory
MLS 222/220L	Hematology & Laboratory
MLS 221	Hemostasis
MLS 242/242L	Immunohematology & Laboratory
MLS 250 / 250L	Clinical Microbiology & Laboratory
MLS 216	Clinical Experience I
MLS 256	Clinical Experience II
MLS 257	MLT Seminar

*Program also includes required general education and program elective credits
