

# UNDECIDED (TRANSFER)

ON CAMPUS • ONLINE • HYBRID • ASSOCIATE IN ARTS  
OR ASSOCIATE IN SCIENCE

## FIND YOUR PATH at BSC

### 1. Enroll at BSC

Get started with general education courses that transfer easily into a four-year degree program.

### 2. Meet with the Experts

Schedule a career counseling session in the MACC, and with your BSC advisor to discuss your interests, strengths and goals.

### 3. Explore Different Subjects

Take classes in a variety of areas to discover your interests and where your skills fit best.

### 4. Discover Your Program of Study

Gain confidence in choosing a career path that aligns with your future plans.

### 5. Transfer with Confidence

Complete your two-year degree and continue toward a bachelor's degree at BSC or another four-year institution.

## HANDS-ON LEARNING WORKFORCE READY.

### Explore your options as you build toward your future career

BSC's Undecided (Transfer) pathway gives you the flexibility to explore different areas of interest while completing courses that apply toward an Associate in Arts or Associate in Science degree.

Your first year of college is an exciting time to discover your strengths, interests and career goals. While making thoughtful course choices is important, you don't need to have everything figured out right away. As an undecided student, you'll complete broad general education coursework that transfers easily to other institutions while gaining a better understanding of the world of work and the path that's right for you.

### PREPARING FOR SUCCESS IN YOUR DEGREE

BSC faculty and staff are here to help you explore programs of study, and career options as you discover the path that fits you best. When you enroll, you'll be assigned an advisor who can help you plan your classes and discuss your educational and career goals.

If you have any questions during the process, you'll have access to the Mystic Advising and Counseling Center (MACC), along with Counseling and Career Services resources that can help you explore career paths, job outlooks, employment opportunities and personal development.
