

SOCIOLOGY

TRANSFER

Sociology is the discipline that explores how people create and maintain society, develop culture, and organize life patterns within families, groups and institutions. Through sociology, students develop skills in analysis, communication and reasoning. BSC's program provides the first two years of study toward a bachelor's degree in sociology, anthropology, or social and criminal justice. Instruction includes a mix of core social science courses, economics and history. Students completing the curriculum requirements earn an Associate in Arts degree.

PREPARATION AND REQUIREMENTS

Those considering a sociology major should take high school classes in the social sciences, writing, and mathematics in

preparation for college algebra and/or statistics. An advanced degree is standard for this field.

CAREERS

- Researcher
- Consultant
- Human service professional
