- Outpatient Offices
- Healthcare Industry
- Community and Public Agency
- School
- Correctional Facility
- Military

HANDS-ON LEARNING. WORKFORCE READY.

Start a healthcare career with a certificate in Practical Nursing or upskill with a 2-year, Associate Degree Nurse (ADN).

Bismarck State College offers a stackable program option, allowing you to begin with a year-long Practical Nursing Certificate. Once finished, start your career or advance your education with the second-year Associate Degree Nurse.

NURSING PRACTICAL NURSE (PN/LPN):

In this 11-month Practical Nursing Certificate, students will receive classroom education that is delivered from instructors on campus and other colleges through the Dakota Nursing Program. You will benefit from clinical and lab practice at local sites. Once you graduate, you'll have the opportunity to advance to the ADN.

ASSOCIATE'S DEGREE NURSE (ADN/RN):

Upon completion of the PN Certificate, you can advance to finish the final year of this 2-year degree. With state-of-the-art facilities and world class faculty, this degree gives you the hands-on training you need to be workforce ready on Day One of your career.

BSC's Certificate in Practical Nursing and the ADN is regulated by the North Dakota Board of Nursing, and is nationally accredited by the Accreditation Commission for Education in Nursing (ACEN). 3343 Peachtree Road NE, Suite 850 Atlanta, Georgia 30326 Phone: (404) 975-5000
