HANDS-ON LEARNING **WORKFORCE READY.**

Understand the past to shape the future.

With an Associate in Arts in History from Bismarck State College, you'll explore how past events influence today's world while gaining a deeper understanding of people, cultures and society.

You'll study a variety of disciplines, including history, government, economics, philosophy, religion, sociology, psychology and Spanish, while building strong research and critical thinking skills. This program prepares you for transfer and careers in teaching, law, ministry, graduate studies, civil service, museums and archives, journalism and other related fields.

PREPARING FOR SUCCESS IN YOUR DEGREE

To build a strong foundation for studying history, you should take courses in history, writing, and the social sciences while in high school.
