The following curriculum has been developed based on the suggested preprofessional curriculum given by North Dakota State University's School of Pharmacy. Students planning to transfer to NDSU should regularly check the School of Pharmacy’s most current curriculum. Students planning to transfer to a pharmacy school other than NDSU should refer to that institution’s catalog and modify this curriculum accordingly.

**Diversity Requirement (3 credits)** – If a course is used to fulfill a general education requirement in Arts & Humanities or Social & Behavioral Sciences, it may be used to fulfill the diversity requirement as well. Courses that complete this requirement are listed in the BSC catalog and are marked with a (D) on the Curriculum Guide.
