**Proficiency in a foreign language is required in some 4-year political science programs. If you are considering a transfer program that does not have this requirement, you may substitute other Arts & Humanities and Social & Behavioral Science courses to complete the required credits.**

**Diversity Requirement (3 credits)** – If a course is used to fulfill a general education requirement in Arts & Humanities or Social & Behavioral Sciences, it may be used to fulfill the diversity requirement as well. Courses that complete this requirement are listed in the BSC catalog and are marked with a (D) on the Curriculum Guide.
