### Diversity Requirement (3 credits)
If a course is used to fulfill a general education requirement in Arts & Humanities or Social & Behavioral Sciences, it may be used to fulfill the diversity requirement as well. Courses that complete this requirement are listed in the BSC catalog and are marked with a (D) of the Curriculum Guide.

**Proficiency in a foreign language is required in some 4-year Public Administration programs. If you are considering a transfer program that does not have this requirement, you may substitute other Arts & Humanities courses and Social Science courses to complete the required number of credits.**
