

900 - Campus Beautification

Purpose:

To establish basic aesthetic expectations for Bismarck State College campus beautification.

Procedure:

All campus landscaping (trees, benches, sculptures, signage, etc.) and building alterations (painting, altering drapery, carpets, etc.) that are not part of the regular campus buildings and grounds plan shall be reviewed for recommendation by the Chief Buildings and Grounds Officer in consultation with the Executive Vice President.

History of This Procedure:

First policy draft November 29, 2006; September 23, 2019.

Reviewed – February 10, 2014.

Changed to Operational Procedure and approved by Doug Jensen October 13, 2023
