Planning and Feedback Session

The purpose of this session was to provide an open session for employees to address the question: What must we change (for example, do more of, do less of, or get rid of) to succeed in the next three to five years? Submitted by Kristyn Olzweski and Jane Schulz.

Group: BSC Employees  Date: November 2, 2011  Tool: Cascading Agreement  # Attendees: 14

Top three ideas:

1) Raise awareness of BSC through marketing and community involvement (18)
2) Infuse more technology into the classroom (14)
3) Decrease the cost of education for students (12)

Other ideas:
Provide practical applications of education such as problem solving (7)
Improve internal communication (4)
