Academic Requirements Report (Degree Audit)

Quick Guide Help Sheet for Students

CampusConnection » Student Center » Academic Requirements

Academic Requirements Report (Degree Audit)
Students are now able to check their degree progress online. In CampusConnection, this feature of electronic degree audit is referred to as the Academic Requirements Report.

Follow the steps below to view this report:

1. Log on to CampusConnection.
2. On the left side, under Menu, click Student Center.
3. Under Academics, select Academic Requirements from the drop-down menu.
4. Click to view the report.

Plan By My Requirements
Students may also plan courses in advance and view their Academic Requirements Report with these courses included. In CampusConnection, this feature is referred to as Plan by My Requirements.

Follow the steps below to view this report:

1. Log on to CampusConnection.
2. On the left side, under Menu, click Student Center.
4. Under My Planner, you will see the options for planning courses.
5. Click PLAN BY MY REQUIREMENTS to view the report.

For more information about using the Academic Requirements Report and Plan by My Requirements, or to report a problem with your report, please contact the Academic Records Office or visit the BSC Web site for electronic degree audit at http://www.bismarckstate.edu/current/records/degreeaudit/.
