

## ***Student Policy - Challenge Examinations***

### **Policy:**

Bismarck State College will permit students to demonstrate college level competency and establish college credits by successfully passing an institutional challenge examination as provided for in the following limits, regulations, and procedures.

### **Limits and Regulations:**

1. Students must be currently accepted into a degree seeking, certificate, or diploma program to earn challenge credit.
2. A student must be enrolled in any BSC course during the term for which the request is made in order for challenge credits to be posted to the official BSC transcript.
3. Student will not be granted challenge credit for courses:
  - a. In which they have previously challenged OR
  - b. In which they are currently enrolled OR
  - c. In which they were previously enrolled (regardless of grade earned) OR
  - d. In which they have earned transfer credit from any accredited institution OR
  - e. In which they were enrolled but dropped with record on an official transcript OR
  - f. In which there is a College Level Examination Program (CLEP) or DANTES Subject Standardized Tests (DSST).
4. Students should be aware that challenge credits may not transfer to other colleges. Students are urged to check the intended transfer institution for current transfer information. BSC is not responsible for transferability of challenge credits.
5. Challenge examination credits, once recorded on a student's BSC transcript, become a permanent part of the academic record.
6. The fee for challenging a course is 50% of the regular per credit hour tuition charge based on resident and non- resident and course offering. Fees must be paid prior to taking the exam. Students may also be charged for materials used as part of the challenge examination. Challenge exam fees are non-fundable.
7. Credits earned through challenge examination will count toward BSC graduation

requirements; however, they do not count toward the minimum institutional credit requirements.

8. A maximum of 40 semester hours of non-traditional college credit (i.e., AP, CLEP, DSST, military experience/training, BSC challenge examination credit, portfolio development, industry credit training, and courses covered under high school articulation agreements and StraighterLine agreement) may be applied to an associate's degree or amount not to exceed 50% semester hours for a diploma or certificate at BSC. A maximum of 60 semester hours of non-traditional college credit may be applied to a Bachelor of Applied Science degree at BSC.
9. Academic Departments shall determine if challenge exams will be administered for specific courses. Challenge examinations will be developed based on criteria established by the appropriate department. Grades for challenge examinations shall be recorded on a "S" satisfactory and "U" unsatisfactory basis, thus will not be used to compute a student's grade point average.
