The check-in station for Swensen Hall is on the first floor of Swensen Hall in the main lobby. The check-in station for Lidstrom Hall is located in the main floor lobby. The check-in station for Mystic Hall is located outside by the first floor entrance near the parking lot. On move-in day, a short mandatory meeting and a welcome picnic will be held in the Career Academy Multi-Purpose rooms. In the evening, mandatory meetings in your residence hall will take place. These meetings will go a little more in depth for expectations of rules and regulations as well as provide a time for you to ask questions.

_Lidstrom, Swensen & Werner Halls_

Every evening in Swensen, Werner & Lidstrom Halls, a residence hall staff member is on duty to keep office hours, facilitate lock outs, answer questions or concerns, mail requests, maintenance needs, and assist with emergencies. The schedule of staff on duty is posted in the residence hall main areas.

_Mystic Hall_

The Residence Supervisor of Mystic Hall is located in Swensen Hall. If you need to see the Residence Supervisor, please visit the main office at Swensen Hall during regular office hours or make an appointment in advance by calling the office.

Two Resident Assistants reside in Mystic Hall. They will keep on-call hours, facilitate lock outs, answer questions or concerns, mail requests, maintenance needs, and assist with other emergencies. Office hours will be posted and may vary week to week. Residents of Mystic Hall may call the Swensen Hall Office during the evening office hours with questions, concerns or special needs if Mystic Hall staff is not available.
COMMUNITY DEVELOPMENT AND EXPECTATIONS

Residence Hall Programming

The residence hall staff plans programs for the residence hall communities. We hope you will attend hall events as well as participate by suggesting ideas and helping staff with planning. The more you are involved; the more you will enjoy your residence hall experience.

Residence Hall Meetings

Floor and/or building meetings may be held throughout the year. Attendance at these meetings is mandatory. You will be responsible for informing your RS if you are not able to attend the meeting. Residents are responsible for all information discussed at any meeting they fail to attend. If you miss a meeting, be sure to talk to your RS.

Campus Community Involvement

Now that you are on campus and in college, you may decide to be involved with the campus community and pursue a variety of interests. We celebrate the opening week of school, Fall Fantasy, Funuary activities as well as several other activities throughout the academic year.

The Office of Student and Residence Life is an excellent resource for ways to be involved outside of the classroom. A few things that you can partake in are:

Student Government Association – Be involved a little or a lot. Anyone can join! You can even earn an enrichment credit! The Student Government Association helps with issues on campus, suggests activities through the Office of Student and Residence Life, serves on committees, and works with the operation of clubs and organizations registered on campus.

Clubs and Organizations – Joining a club or organization is an excellent way to focus in on specific interests that you may have while attending Bismarck State College and learning more about yourself. A community fair is offered in September to allow you access to these organizations and clubs, as well as local businesses in the community. If you would like to know all the clubs and organizations that are available, you can go to our website at bismarckstate.edu/life/clubs.

Intramurals - Bismarck State College Intramural Sports provide a number of opportunities to stay active, healthy, meet new people, participate in a campus group, and have fun. Whether you are super active and competitive or just looking to participate and get a little exercise, we provide something for everyone, from flag football to BSC Fit Club; our goal is for everyone to get moving.

On occasion, special events are planned in the Missouri Room so lunch and/or supper may be relocated in the Snack Bar.

* No refunds on meals not eaten. Students may not share food with anyone. All meals must be consumed in the dining area during scheduled serving hours. Exception: sack lunches and sick trays.

Sick Trays

Sick trays are available to students that are unable to come to the dining area due to illness or injury. Please make arrangements with Food Services to have a friend or staff member pick up a sick tray for you meal(s) if needed.
Sack Lunches

If your class or work schedule conflict with the Dining Room hours, please notify Food Services to make arrangements for a sack lunch. You must contact Food Services (224-5452) prior to this need, and you may be required to provide a class or work schedule to verify. Questions may be directed to Food Services at 224-5452.

If you have any questions about meals, you can ask the Office of Student and Residence Life or contact Food Services.

Off Campus Meal Plan

If you live off-campus, you can sign up for a meal plan. Please note that these meal plans are served in the Missouri Room Contract Line not in the Snack Bar.

Special Diets

If you have a special diet or needs, we ask that you notify the Office of Student and Residence Life. We will notify Food Services about these needs. The Food Services Manager may ask to meet with you to verify information regarding these diet needs or concerns. Depending on each case or request, you may be asked to fill out a Request for Disability Related Accommodations form.

Note: During the academic year 2013-2014, the BSC Student Union will undergo construction renovations. The construction may require Food Services to adjust actual service or location during this academic year. The college will work diligently to limit, as much as possible, the inconvenience to the students utilizing the Food services meal plans, but it is important for students to be aware of this situation.

APPLYING, ROOM AND ROOMMATE ASSIGNMENTS

Contract Term

Contract Terms are designated for the full academic year. The term of the contract for 2013-2014 is August 25, 2013 to May 16, 2014.

Room and Roommate Assignments

Move-in packets are sent to students starting in early June. Every effort is made to place a student in his/her first choice building and room type with a roommate that shares similar interests and living habits. Unfortunately, the number of student requests may exceed the number of available beds in a given residence hall or room type.

Generally, roommates are assigned to rooms based upon the attributes outlined in the housing application. Answering honestly on the housing application has great impact on the assignment process. Please understand the Office of Student and Residence Life matches roommates to the best of our ability and we cannot guarantee every pairing will be successful. Wherever possible, specific roommate requests will be granted if both parties have requested one another.
Roommate Hints and Tips

It is important to communicate openly and honestly with your roommate. When moving in with your roommate, we provide a roommate contract and questionnaire for you to fill out with your roommate. It is important to go through the topics on the sheet of paper to help you discuss living together.

Roommate Troubles and Mediation

If you are having troubles with your roommate or feel tension, please stop in and talk to the Residence Supervisor or a Resident Assistant. The residence hall staff is trained to help with these situations. If you are having trouble with your roommate, we encourage you to first talk to your roommate. When you discuss troubles with the Residence Supervisor, they help find the best solution for your situation as each situation is generally unique.

Room or Roommate Change

Roommate changes will not be made until two weeks after the fall move in day unless extenuating circumstances are identified. Room change requests must be requested through the Residence Supervisor of the building. Requesting a room or roommate change will not necessarily result in a room or roommate change because space is limited. Room change requests may not be honored for reasons of convenience or preference of roommate.

If your room or roommate change request is approved, the resident must make arrangements to expedite the process quickly.

Occupancy/Consolidation

Full time BSC students (12 credits or more) will receive first priority for placement in the residence hall. Collaborative and part time students may reside in a residence hall if space allows. Students who apply as full time but become part time (less than 12 credits) for academic reasons must notify the Director of Student and Residence Life.

Upon move in, students must occupy the assigned room and may not sublet or reassign the room. Room or roommate exchanges as well as checkouts must be pre-approved by the Residence Supervisor.

Students may occupy their room at 11 a.m. on the designated contract move in day and must vacate within three hours after their last final exam, unless participating in the graduation ceremony or arrangements have been made with the Residence Supervisor.

In case one of the residents vacates a room, the remaining student agrees to accept another roommate as assigned or move into another room if requested.

The Office of Student and Residence Life reserve the right to consolidate and re-assign residents and/or vacancies when the occupancy is below 100 percent to achieve optimal utilization of the residence hall.
The Office of Student and Residence Life reserve the right to consolidate and re-assign residents and/or vacancies when the occupancy is below 100 percent to achieve optimal utilization of the residence hall.

**Returning Students Reapplying for Housing for Next Academic Year**

It is important to apply for housing as a returning student as soon as you know that you will be returning to campus for the next year. In spring 2014, those returning students applying for housing in the 2014-2015 academic year will be given preference based on order of application received through March 15, 2014 and barring any sanction restrictions noted in the Office of Student and Residence Life. Though we cannot guarantee that we will be able to fulfill everyone’s preference, we will do our best to fulfill as many requests as possible.

You will be able to apply online through CampusConnection January 2nd – March 15th. Pick the Returning Students Housing Application.

**Summer Housing**

Residence halls are open in the summer for summer housing. You must be enrolled in summer classes to stay in the residence halls. If there is a waiting period after the end of spring semester before the start of your summer classes, please discuss this with the Residence Supervisor. Applications for summer housing can be found on the website at: bismarckstate.edu/life/residencehalls/summer-housing-information/summer-students or you can pick up a copy in the Office of Student and Residence Life.

If you have other questions or concerns, email BSC.Housing@bismarckstate.edu

**HOUSING REGULATIONS AND CONTRACTUAL ISSUES**

The following rules, regulations, and contractual issues are specific to residence halls and the campus or excerpted from the Student Conduct Policy. The following items may not include everything listed in the contract for housing or Student Conduct Code. If you have further questions, please contact a staff member; refer to the contract copy in the appendices or the Student Conduct Policies excerpted in the appendices on the BSC website.

**Abandoned Property**

BSC Student and Residence Life does not provide storage when students vacate unless a special circumstance is approved by the Residence Supervisor or the Office of Student and Residence Life. Property left behind after checkout or if a student is deemed to have improperly checked out will be considered abandoned within 48 hours of the appointed checkout time or improper checkout notification. This includes bicycles. As a result, the residence hall staff will pack and log all abandoned items. These items will be donated after 30 days from the designated improper checkout date.
Alcoholic Beverages and Illegal Drugs

The possession or consumption of alcoholic beverages and illegal drugs is prohibited in residence halls and all other areas of the campus. Students are expected to abide by State Board of Higher Education and Bismarck State College policy, local ordinances and state laws regarding the consumption or possession of alcoholic beverages or the possession or use of illegal drugs.

Empty alcoholic containers and drug paraphernalia are likewise prohibited. Violations of this regulation and/or other regulations impacting our fellow residents may result in your removal from the residence halls. Non-residents or visitors, who are of minority age, found in situations with alcohol or drugs in the residence halls are subject to arrest, as are their hosts. The host is accountable for all fines that may be assessed for nonresident visitors. For further information on the campus Alcohol and Illegal Drug Policy refer to Appendix E.

Violation of the alcohol policy will result in:

1st time offense – Letter and $50 fine & completion of E-Chug evaluation at the Mystic Advising and Counseling Center

2nd time offense – Letter, $100 fine and 5 mandatory counseling sessions

3rd and subsequent offense(s) – $150 fine and possible removal from the residence halls for the third and subsequent offenses.

Breaks (Thanksgiving, Christmas, Easter & Spring Break)

For a number of reasons, housing closes during all major breaks of the school year. Those staying for college related reasons must notify the Residence Supervisor and provide confirmation from either a coach or instructor. Those not staying for college reasons or travel issues related to weather are to discuss your reason for staying with the Residence Supervisor. Those staying for work related reasons must provide a work schedule. The College reserves the right to charge a nominal fee during a break when deemed necessary.

Cancellation and Refund Policy

If you move out of the residence hall during the term of the contract, you are not entitled to a refund as provided under SBHE Policy 830.2, and you will forfeit rent for the entire term, unless BSC can find a student to rent your unit. Then you will be entitled to a refund only for the period of time the unit is rented to someone else.

Change or Damage to Property

Furniture provided by BSC may not be removed from the residence hall room and/or suite.

Liability – BSC assumes no responsibility for loss or damage to residents’ personal property. Residents should inquire with their parents or guardians regarding insurance coverage they may have to cover loss of personal property.
Common Area and Appropriate Behavior

It is our expectation that residents use respectful and appropriate manners in the common areas of the residence halls, including the lounges, hallways, corridors, bathrooms, etc. Students are expected to be appropriately attired and use appropriate language in these areas as to not offend those who also utilize these areas. Common sense is an important intuition. Students are expected to act appropriately in the treatment of things provided in the common areas such as the utilization of furniture, rooms, and other items in the residence hall facilities. As an example, it is not appropriate to rollerblade or bicycle in the residence hall. Also, it is not appropriate to store your motorcycle in your residence hall room. These are things we believe you should have common sense regarding and know not to do.

Cooking

There are kitchen spaces available in each residence hall for cooking. You will need to provide your own cooking and eating utensils. Please refer to the move in checklist for help on cooking and eating items to bring.

Cooking and heating appliances such as electric fry pans, microwave ovens, hot plates, and toasters are prohibited in resident’s rooms. You may use these items in the main kitchen areas.

Deer, Pheasant – Other Game Cleaning

We realize that hunting is an important and rewarding endeavor in our culture that many like to participate in; however, you may not clean your game in the residence hall. Arrangements for cleaning game must be made at other locations in the Bismarck/Mandan area.

Discrimination

Bismarck State College is an Equal Opportunity Employer. It is against College policy to knowingly discriminate, display discriminatory information, or distribute discriminatory information. Residents who feel they are subject to discriminatory behavior should contact a residence hall staff member.

Financial – Payment of Room, Board, Fines, etc.

Charges for room, board, and any miscellaneous charges related to the residence hall will be billed to you directly through your Student Center under your Finance account in Campus Connection. Your account balance will be due in full the first day of each semester. If you incur charges after the first day of the semester these charges are due at the time incurred.

Payment must be made by the due date as indicated on your Student Center. Balances not paid by the designated due date will be charged a 1.75% late fee on any balance 30 days past due. Balances not paid by the due date will also create a negative service indicator preventing future class enrollment, release of transcripts and receipt of diploma. If you have questions regarding your Student Finance account contact the Student Finance Office in Schafer Hall in a timely manner. If the Office of Student and Residence Life are notified that outstanding charges are on your
BSC student account related to unpaid room and board or housing fines, the Office of Student and Residence Life staff will make an attempt to visit with you about these matters or notify you via letter about these concerns. After these communications, if no acceptable arrangements or payments are made, an appointment will be made with the Director of Student and Residence Life to make arrangements to cancel your meal contract and vacate the residence hall.

**Guests and Visitors**

Our guest and visitation policy is enforced with the following priorities in mind:

- The need to maintain a safe environment in the halls.
- The need to respect student’s desire for privacy and the roommates rights in sharing a space.
- The need to recognize the value of visitor’s.
- The need to provide a policy to students and visitors who have different desires regarding visitation.

When receiving guests in the residence hall, as a host you must always accompany your guests. A guest is defined as any person who is not a current resident of the college residence hall being entered and has a specific resident of the hall being entered as a host. A resident that hosts a guest or visitor assumes responsibility for any policy or regulation infractions committed by his/her guest(s). Residents may only escort guests they are hosting.

A resident who does not comply with the guest and visitors policy may have his/her guest privileges revoked or suspended.

Visiting hours are posted in each hall. Open Hours are 10:00 a.m. – 1:00 a.m. Sunday-Thursday, and 10:00 a.m. – 3:00 a.m. Friday through Saturday. Phones are posted in entryways with the exception of Mystic Hall so that guests may contact whom they wish to visit for an escort during these hours.

If there is a variation of Open Hours during a holiday, those changes will be posted by the Residence Supervisor.

Guests of the same sex are permitted to remain in the residence hall if arrangements are made with your roommate and the residence hall staff on duty by 9:00 p.m. that night. There is a $10.00 charge per night for guests.

**Harassment and Hazing**

No student may create excessive noise, disturb or infringe on the rights of other students, harass, haze or in any way malign or damage the dignity of a fellow student. This includes behavior that attempts to force a roommate to move out of the room and/or attempts to prevent a new roommate from moving into the room.

Violation of this regulation will result in a meeting with the Director of Student and Residence Life and the possibility of counseling and/or dismissal from the residence hall.
**Keys**

*Lock Out*

To help maintain a safe and secure residence hall environment, residents should carry their keys with them at all times. If you do forget your keys and are locked out of your room, please notify the staff member on duty. The following procedure will be followed:

1. First request: No fine
2. Second request: No fine
3. Third and More request(s): $15.00 billed to the student’s BSC account and meeting with the Residence Supervisor.

*Lost or Stolen Room Keys*

If you lose your keys, please notify a Resident Assistant or Residence Supervisor immediately. The Residence Supervisor will be able to assist you in replacing lost keys. There is a $25.00 key replacement charge for each key lost or stolen.

**Non-Compliance with a College Official**

While living on campus it is important to comply with requests from a college official, especially during times of incidents, emergency, or other situations where the residence hall staff member may be trying to enforce policy or maintain order. Non-compliance will result in an incident report and a meeting with the Director of Student and Residence Life.

**Parking**

Bismarck State College requires that students living in the residence halls display a BSC parking permit on their vehicle rearview mirror. The Office of Student and Residence Life works to obtain parking information prior to move-in day. Parking permits are issued on move-in day during check-in and can be obtained later by visiting the Residence Supervisor during office hours in each hall.

Students that live on campus should park in their respective parking lots adjacent to their halls.

You are expected to operate your car in a manner that conforms with all traffic regulations as well as campus and city parking regulations.

On the BSC campus, you can be ticketed and fined for the following violations:

- Parking in the crosswalk
- Parking in No Parking spaces
- Parking on lawns
- Failure to park between the painted lines
- Parking in a designated visitor parking space
- Parking in a staff lot if you are a student
- Parking in a Handicapped Parking Zone without a handicapped permit. This violation will result in a fine from BSC and the city of Bismarck.
- Parking in designated commuter parking
The price of the parking ticket is $20. If the fine is not paid within 20 calendar days, transcripts may be withheld and pre-registration will not be allowed.

If you lose your parking permit, you will be assessed a $25.00 fee to replace it. All parking permits must be returned at checkout. Any parking permits that are not returned, the resident will be assessed a $25.00 fee.

City of Bismarck police drive through campus to check for violations. Violations of city parking laws are handled by the city and generally result in a $10 fine.

The small parking lot on the south side of Swensen Hall is a service parking lot. Please refrain from parking in this lot. Also, some parking on the south side of Werner Hall is designated as no overnight parking. This parking is intended for commuters. Please refrain from parking in these spaces.

**Pets**

We do not allow pets in the residence halls. The only exceptions are fish in small tanks.

**Physical Fitness Equipment**

We do not allow weight lifting equipment in the residence halls. We allow small aerobic weights. We encourage your physical fitness. If you would like to bring other types of fitness equipment, please discuss it with your Residence Supervisor. Please utilize your BSC Aquatics and Wellness Center membership.

**Quiet Hours and Noise**

- Quiet Hours begin in each hall at 11 p.m. and end at 11 a.m.
- Violations of the quiet hours and noise policy will result in:
  - 1\(^{st}\) time offense – Letter and $50 fine
  - 2\(^{nd}\) time offense – Letter and $100 fine
  - 3\(^{rd}\) and subsequent offense(s) - $150 fine and possible grounds for dismissal from the residence hall.

**Sanitation and Trash**

All personal trash should be taken to the dumpsters located in the parking lot outside the residence hall. It is not appropriate to dispose of your personal garbage from your room into the common area garbage cans including the lounge, bathroom, laundry and kitchen areas.
Room Inspection & Search

To find out more information about Room Inspection & Search please refer to the Residence Hall Room and Board License contract. (Section 16)

Security Cameras

Because BSC respects the privacy of the entire campus and the residence hall community as well as a students need to feel safe and secure, this statement was developed to inform you of their existence by the Office of Student and Residence Life. Cameras are placed at the entryways, parking lots and some common areas of the residence halls. Security cameras are meant to ensure the protection of BSC and personal property, promote personal safety as well as compliance with BSC policies. Information obtained from the cameras shall be used exclusively for law and/or policy enforcement, including, where appropriate, college judicial functions. All camera installations are subject to federal and state laws. A record will be kept in the duty log manual of those viewing the cameras and recorded material.

Solicitation

To maintain privacy and security, door-to-door solicitation is not allowed in the residence halls. Any commercial company representatives wishing to conduct business should contact the Office of Student and Residence Life. A resident that wishes to act as a salesperson or representative for a company or business should discuss this with the Residence Supervisor. If the Residence Supervisor approves, you can sign a written permission agreement which will be placed in your file. All signs, notices, etc., must be approved by the Residence Supervisor if you wish to post them in any area in the hall(s) other than your personal room door.

Tobacco Free Campus

BSC is a Tobacco Free Campus. Smoking and the use of chewing tobacco are prohibited in BSC buildings, on BSC property and/or BSC rented property by employees, students and visitors. For a healthy and safe environment for everyone on campus, we ask that you refrain from using tobacco. If you are planning to smoke, we ask that you go to your personal automobile.

Violations of the Tobacco Free Campus will result in:

- 1st time offense – Letter and $50 fine
- 2nd time offense – Letter and $100 fine
- 3rd and subsequent offense(s) - $150 fine and possible grounds for dismissal from the residence hall.
Spiritual Use of Sweet grass, Sage, and Cedar in BSC Housing

Bismarck State College is committed to the recognition and support of diversity and its celebration. The College recognizes that the spiritual use of smoke from sage, sweet grass, and cedar is an important element in American Indian/Native Alaska purification and prayer ceremonies.

The basic right of all Americans to religious freedom is protected by the U.S. Constitution. As members of an educational community, BSC students are encouraged to recognize and respect the religious rights of all persons.

The spiritual use of sage, sweet grass, and cedar is allowed at BSC in residence hall rooms by residents living in that hall only when its use is for the purpose of purification and prayer; is consistent with the time-honored, cultural, traditional, and spiritual observances, and complies with protocols that BSC has outlined.

A resident wishing to use sage, sweet grass and cedar for purification and/or prayer must submit a written request to the Residence Supervisor of their hall listing the date, time, length of ceremony and location in which the resident wishes to conduct this ceremony. This request must be submitted at least five business days prior to the requested date of the ceremony. The resident requesting to utilize sage, sweet grass and cedar must prove that they have appropriate equipment and safeguards in place to ensure the safety of both the individual and others living in the building. Acceptable equipment includes a fire proof bowl containing an adequate amount of sand. The students must open a window and utilize a fan for ventilation during the ceremony. Because the fire alarm system in the residence halls must remain engaged at all times, the amount of materials to be burned during the ceremony must be relatively small, to minimize the chances of the smoke activating the fire alarm system. The residence life staff in the hall will post notices regarding the pending ceremony to allay concern with any odor or smoke which may develop. Students may not use alcohol or illegal drugs during these ceremonies, a mandate that echoes traditional indigenous teachings as well as the policies of Bismarck State College. Any student who does not comply with this policy is subject to discipline, including the loss of the privilege to engage in this Native American purification prayer ceremony. It is emphasized that submission of the request to engage in this ceremony does not automatically result in approval of the request. Denial or modifications to a request of this policy may be required to ensure that safety and health concerns are protected and the policy is in compliance with other relevant policies of Bismarck State College and the State Board of Higher Education.

Weapons and Firearms

The use or possession of firearms or weapons is prohibited in the residence hall and on the Bismarck State College campus. Firearms, pellet guns, paintball guns, ammunition, fireworks, explosives, hunting knives, bows, and crossbows are prohibited. Please refer to the Weapons & Firearms Policy for specific information which is applicable in the residence halls.
Vandalism

Vandalism is defined as an act of willful destruction or defacement of property. Each time an item is stolen or vandalized and replaced by a new one, it directly affects the overall cost of operating the residence hall. If the responsible student cannot be identified, damages may be billed as common area damages between those individuals living in the room or suite where damages occurred.

If non-routine cleaning is necessary because of a resident’s vandalism, charges will be billed to the resident.

If you witness an act of vandalism, please notify a residence hall staff member immediately.

Fines and/or Sanctions Guidelines

Violations of the rules, regulations and/or policies may result in the following general sanctions and/or fines.

- 1\textsuperscript{st} time offense- Letter and $50.00 fine
- 2\textsuperscript{nd} time offense- Letter and $100.00 fine with possible counseling for alcohol, drug or behavior violations
- 3\textsuperscript{rd} and subsequent offense(s) - $150.00 fine and possible grounds for dismissal from residence halls.

More severe violations or behavior may result in an immediate meeting with the Director of Student and Residence Life as well as possible dismissal.
### Policy:

This policy applies to students who reside in campus housing and in response to reports of missing students as required by the Higher Education Opportunity Act of 2008. Bismarck State College recognizes the importance of safety for our on-campus living community. This policy assists with procedures based on facts and circumstances known to Bismarck State College campus that a student has been determined to be a “missing person”.

### Definition:

Bismarck State College will define a student as a “missing person” if the person’s absence is contrary to the usual pattern of behavior of the student and unusual circumstances may have caused the absence of the student. Circumstances can include, but are not limited to, a report or suspicion that the missing person may be the victim of foul play, has expressed suicidal thoughts, is drug dependent, is in a life threatening situation, or has been with or is in the company of persons who may endanger the student’s welfare.

### Procedures:

A. Emergency Contact Information Designation

1. Students age 18 and over or emancipated minors will be given the opportunity during each semester to designate an individual or individuals to be contacted by the college no more than 24 hours after the time that the student is determined to be missing in accordance with procedures in this policy. A designation will remain in effect until changed or revoked by the student.

2. In the event a student is under the age of 18 that is not emancipated and determined to be missing pursuant to the procedures listed below, the college is required to notify a custodial parent or guardian no more than 24 hours after the student is determined to be missing in accordance with the procedures.

B. Official Notification Procedures for Missing Persons

1. Any individual on campus who has information that a residential student may be a missing person must notify a Office of Student and Residence Life or Security Office as soon as possible.

2. The Security Office will gather all essential information about the residential student from the reporting person and from the student’s acquaintances (description, clothes last worn, where student might be, who student might be with, vehicle description, information about
the physical and mental well-being of the student, an up-to-date photograph, class schedule, etc.) Appropriate campus staff will be notified to aid in the search for the student.

3. If the above actions are unsuccessful in locating the student or it is apparent immediately that the student is a missing person (i.e. a witnessed abduction), the Security Office will contact the appropriate local law enforcement agency to report the student as a missing person and the local law enforcement agency will take charge of the investigation.

4. No later than 24 hours after determining that a residential student is missing, the Office of Student and Residence Life or Security will notify the emergency contact (for students 18 and over) or the parent/guardian (for students under the age of 18) that the student is believed to be missing.

C. Campus Communication Regarding Missing Students

In cases involving missing persons, law enforcement personnel are best situated to provide information to the media that is designed to elicit public assistance in the search for a missing person. Therefore, all communications regarding missing students will be handled by outside law enforcement authorities, who may consult with the college’s Communications Office. All inquiries to the college regarding missing students, or information provided to any individual at the college about a missing student, shall be referred to the Security Office, who shall refer inquiries and information to law enforcement authorities.

Prior to providing the Bismarck-Mandan community with any information about a missing student, the Communications Office shall consult with the Security Office and with local law enforcement authorities to ensure that communications do not hinder the investigation.

First Policy draft July 2009
RESIDENCE HALL CONDUCT PROCESS

Incident Process

When an incident occurs in the residence hall, it will be addressed through the Residence Hall Conduct Process. Remember a BSC resident is responsible for not only their actions but also the actions of any guests that may be involved.

General violations or concerns will be dealt with as follows:

1. Resident(s) will be confronted with the violation and/or concern when the violation or incident is noted. An incident report will be filed by the staff member confronting the incident. The Residence Supervisor will turn the report in to the Office of Student and Residence Life with the sanction and/or fine.
2. The incident report is forwarded to the Office of Student and Residence Life where a copy of the incident report is processed and initialed by the Residence Supervisor.
3. The student will be notified by letter that an incident report has been documented and the letter will contain the sanction and/or fine.

Appeal of Violation or Incident

If the student wishes to appeal the sanction and/or fine, they must stop in the Office of Student and Residence Life to request an appeal form. All appeals must be filed within five business days of receiving the notification letter and must address one of the following criteria:

• Evidence did not warrant a finding of responsibility
• The sanction or fine is not appropriate for the violation. (May not be applicable for standard sanctions.)
• There is new evidence available that was not available at the time of the incident and notification by the residence hall staff member.

Submitting an appeal does not guarantee that an appeal will be approved. Upon receipt of the appeal, the Office of Student and Residence Life will evaluate the merit of the appeal. If the appeal follows the above guidelines the office will schedule an appointment for the person appealing with the Director of Student and Residence Life. Unless further investigation time is needed by the Director, you will receive notice via letter within 3-5 business days of the Director’s decision.

Confiscation of Prohibited Items

Residence Life staff have the right to confiscate prohibited items contained in residence hall rooms. Items may include but are not limited to candles, appliances, and alcohol/drug paraphernalia. Items that are confiscated may or may not be returned to residents depending on the Residence Supervisor’s and/or the Director of Student and Residence Life assessment of the situation.
CAMPUS REGULATIONS AND POLICIES

It is important to be familiar with all policies, procedures, and/or regulations in the residence hall room and board contract, residence hall handbook and the student handbook. All student policies are available at bismarckstate.edu/staff/humanresources/policiesprocedures/studentpolicies.

Students are responsible for familiarizing themselves with these policies.

HEALTH, SAFETY AND SECURITY

Campus Security
The Campus Security Office is located in the Meadowlark building on the main level in room 224. You can reach Campus Security at 527-1972 or 224-5789. Campus security handles security situations (Ex. theft) on campus, provides a campus escort service, handles parking, risk management reporting, and other security matters. It is recommended you program the 527-1972 number into your cell phone.

If you have an incident that you need to report, such as theft in the residence hall or in your car, a car accident, assault or other situations, it is important to notify campus security and the Residence Supervisor. If the criminal activity is in progress and you can’t find campus security or your Residence Supervisor, and/or you feel in immediate danger, it is best to dial the Bismarck Police Department or 911.

General Campus Safety Tips
1. Lock your door – even if you are just going to the bathroom or your neighbor’s room. It takes approximately 8 seconds to walk into someone’s room and steal something valuable. It’s not worth the risk.
2. Lock your door when you are asleep.
3. Do not prop open locked exterior building doors. These doors are locked for the protection of all residents.
4. DO NOT EVER LOAN YOUR KEYS OUT, ESPECIALLY TO A NON-RESIDENT.
5. Do not put your name and address on your key rings as they may be used to steal your property.
6. Be alert about your surroundings.
7. Always lock your car and never leave your keys in the vehicle.
8. Avoid walking alone or running at night in areas that are not well lit.
9. Call campus security if you note or see something suspicious.

Health Concerns or Needs
Residents are asked to inform the Residence Supervisor or the Office of Student and Residence Life of any health concerns, allergies or medical conditions at the beginning of the year so that we have
this information on file. This information will be important if there is ever an emergency. Also, residents should inform the Residence Supervisor of any suspected cases of contagious disease. (A contagious disease is considered but not limited to measles, mumps, hepatitis, meningitis, and chicken pox.) Students with special accommodations requests may be required to complete a Request for Disability Related Accommodations form.

**Disposing of Needles and Other Medical Supplies**

For the health and safety of all residents and staff, students who use needles, syringes and/or finger prick devices for health related reasons must use an approved sharps container. If you do not have access to a container, please contact your Residence Supervisor and they will help you locate one.

**Bed Bugs Policy**

There have been no confirmed cases of bed bugs at Bismarck State College at this time. Residence hall staff and buildings and grounds, are committed to effectively responding to residents who suspect they may have bed bugs. For the safety and comfort of all students living in BSC residence halls, students and staff should adhere to the following guidelines:

1. As soon as a student suspects they may have bed bugs, contact the RA on duty or the Residence Supervisor. This staff member should notify the RS (if not already a part of this process) and the responsible staff member should contact buildings and grounds as soon as possible so the exterminator can be dispatched to the location to perform a thorough inspection of the room/suite in question.

2. Notes:
   a. If a student notifies the residence hall staff on a weekend or holiday, the weekend maintenance personnel will be notified; however, it may be difficult to have an exterminator dispatched on weekends or holidays.
   b. Also, students who report suspected bed bugs when the exterminator can be dispatched within 24 hours will NOT be granted an immediate room change, nor will they be issued a new mattress UNTIL the exterminator has completed the inspection and submitted the findings. This is CRUCIAL so that we can prevent the spread of bed bugs if they are found to be in the student’s room and belongings.

3. Your residence hall staff may be able to provide a temporary location in which the student can sleep until the inspection can take place. This is based on availability of space within the residence halls. Any student who is given temporary relocation is required to wash and dry whatever clothing they need to take with them for the night. Upon doing that, the student should shower and put on clean clothes. Clean laundry is all the student can take to the temporary room. We want to ensure that if there are bed bugs in the student’s room, they do not travel to another room or suite with the student.

4. A student may not, at any time, deny the exterminator or BSC staff access to their living space during this process.

5. Exterminator Findings
   a. If the exterminator finds that there are no bedbugs present in the student’s room or suite, then no further action will be taken. The student will be asked to continue monitoring his/her living space, and to notify residence hall staff immediately if there are further problems.
b. If the exterminator concludes that bed bugs are present in the room or suite, residence hall staff will provide the affected student(s) with a detailed list of instruction for the removal and laundering of their personal items. Residence Life assists with cost of laundry in the residence hall; however, anything a student wishes to dry clean is the responsibility of the student.

c. Only the exterminator can confirm or deny the presence of bed bugs.

6. Bed bugs are a serious community issue, and ALL students are expected to comply with all instructions given to them within 24 hours once bed bugs have been confirmed within their living space.

Fire Safety

In case of a fire drill or real fire, students should:

1. Stay calm.
2. Try to dress for weather (time permitting).
3. Open blinds, close window, leave light on.
4. Lock your door. Take your keys.
5. When exiting, check for heat.
6. Exit the building using the nearest stairway and exit. In Lidstrom Hall, DO NOT USE THE ELEVATOR.
7. Remain outside across the street from the building or at least 150 feet away from the exit until given clearance to return.
8. Do not attempt to re-enter building until fire department allows re-entry.

Please find the following gathering points when exiting your building during a fire alarm:

Gathering Points and Cold Weather Spots

Lidstrom Hall- On the grass across the Lidstrom hall parking lot.
Mystic Hall- On the sidewalk located in front of the Law Enforcement Center.
Swensen Hall- On the sidewalk across the street (Schafer St.) from Swensen Hall.
Werner Hall- Near the benches on main campus across from Schafer Hall.

Alternative Buildings for shelter:

Lidstrom Hall- Student Union
Mystic Hall- Student Union
Swensen Hall- Student Union
Werner Hall- Armory

Residence hall staff may check rooms during fire alarms to ensure the safety of all residents.

Failure to leave during a fire alarm will result in a fine or disciplinary action.

Alarm pull stations are located throughout the hallways and should be pulled when fires involve a large area or produce a large amount of smoke. Common sense will play a large role in the above information, and you should remember not to put yourself in a potentially dangerous situation.
Sick – Medical

We do not have an on-campus medical facility. If you are not feeling well or have a medical need to see a physician, there are a number of different facilities available in the Bismarck/Mandan community. It is important to discuss your facility options with your parents or guardians as there may be a preference for them with regards to insurance. A copy of your insurance card is helpful when making an appointment at these facilities to help expedite the process of checking you in quickly.

Severe Weather

North Dakota weather can be unpredictable. We ask that you use the following guidelines during times of uncertain weather conditions.

Tornado Warning
When a tornado is indicated by radar, sirens will sound. Residents should vacate their rooms and open areas to move to the basement or lower level of each building. You should stay in the central areas away from the windows of the lower level until you know the warning or weather is over.

- **Lidstrom Hall**: Everyone on the 2nd floor is to gather in the 1st floor public restrooms and laundry area. First floor residents are to remain in their restroom or common living space. If possible have 2nd floor residents join first floor resident’s in restroom or common living space until storm has passed.

- **Mystic Hall**: Residents on the first floor in the building should take shelter in their bathrooms with the door shut. Second floor residents should take shelter in the kitchen on the lower level.
• **Swensen Hall:** Everyone in the building should take shelter in the ground floor lounge area and restrooms.

• **Werner Hall:** Residence Hall - Everyone in the building should take shelter in the restrooms, shower room and lower level of the building.

• **Outside:** Should a tornado threaten while you are outside, try to find shelter immediately in the nearest substantial building. If no buildings are close, take cover by lying flat in a ditch or depression. Protect your head with your hands and arms.

Never try to drive away from the storm. If you are in your car and cannot find shelter in a building, leave the car and lie flat in a ditch or depression with your head covered. Do not take shelter under your car.

**Winter Storms/Winter Weather**

It is normal for BSC to maintain its regular schedule by remaining open and offering classes as scheduled. The BSC President makes any decisions relating to college closings due to weather. It is important that an individual judge his or her individual circumstances and make the best decision regarding their situation. For weather information or college closing information, you can check the local television and radio stations. BSC will utilize the notification system to notify students of this information via email, text message or phone.

**Elevator – Lidstrom Hall**

Lidstrom Hall is the only residence hall with an elevator. The passenger elevator is used regularly. To avoid injury and decrease the chance of breakdowns, please use the following guidelines to ensure elevator safety and longevity:

- Do not hold the elevator by holding open the door with your hand.
- If you need to hold the elevator door open, use the OPEN DOOR button (open door symbol).
- Do not push elevator doors open after they begin to shut, use the OPEN DOOR button (open door symbol) or simply let them close.
- DO not overcrowd the elevator cab.

**In case of emergency**

If the elevator stops between floors or gets stuck, do not climb out. Wait for help. The elevator has an intercom connection. You can push the elevator alarm or use your cell phone and dial 911 for help.
I have read and understand the information, policies, rules, and regulations of Bismarck State College housing and campus.

APPENDICES

Appendix A

Residence Hall Room and Board License Contract

The Residence Hall Contract creates a license for the student to use campus housing and is not a lease. The relationship between BSC and the student is that of licensor-licensee and not that of landlord-tenant. A license creates a privilege for you to use residential housing subject to the conditions of this contract and College relations.

1. APPLICATION AND PAYMENTS

A. **A total fee of $25.00 must be submitted with the Residence Hall Room and Board License Contract.** $25.00 is a non-refundable application fee.

B. Hall reservations will be made only after the student has filed the necessary application materials with the Office of Enrollment Services and has been accepted for enrollment.

C. **Room and Board charges are transferred to your BSC Student Finance account. Make sure you check BSC Student Finance guidelines and due dates for making payment.**

D. Bismarck State College has the right to refund any payment, to refuse assignment to any applicant and to make all final decisions as to assignments for room or room and board. Contact the Office of Student and Residence Life for information and current prices. (701-224-5464)

E. Roommate assignments are often not determined until the end of spring semester in the academic year preceding the contract start date. If there are no vacancies in the residence halls, the student will notified and automatically placed on a waiting list until a vacancy does occur.

F. **Meningococcal immunization** – Students living on campus must provide documentation of immunity against meningococcal disease. Effective fall 2012, newly admitted students ages 21 and younger residing in campus housing, must provide documentation of immunity against meningococcal disease. Documentation means (a) evidence of at least one dose of meningococcal conjugate vaccine in five years prior to enrollment or (b) evidence of two doses of meningococcal conjugate vaccine administered at age 10 or older and at least 8 weeks apart. The Office of Student and Residence Life will verify immunization through the Office of Enrollment Services and Admissions. The Students and Residences Life Office may refuse to assign a room to a student until verification for meningococcal immunization is received.

2. CONTRACT TERM

A. **The term of this contract is for the academic year, August 25, 2013 - May 16, 2014.** (See pg.4)
3. FOOD SERVICES

A. All students living in a residence hall **must contract for meals** with Food Services for the College dining area. Residents must choose between the following options:

C. **Bag meals** are available eligible students unable to eat during regular meal periods because class or work schedules conflict with the Food Services schedules. Bag meals can be arranged with the Food Services Manager and arrangements will be made for you or a friend to pick your bag meal. You may be required to provide a work or class schedule to verify these needs. Students who have registered for bag meals are not authorized to eat that meal in the dining area.

D. **Sick trays** are available to students that cannot come to the dining area because of illness or injury. If you are not feeling well or injured please make arrangements with Food Services to have a friend or staff member pick up a sick tray for your meal or meals for that day.

E. If you have special diets or special needs requiring accommodations, we ask that you notify the Office of Student and Residence Life. Depending on your situation, it may be necessary that you complete a Request for Disability Related Accommodations form. See #12 Special Accommodations section of this contract.

F. Meal plan changes must be made to the Office of Student and Residence Life 30 days before the scheduled move in day for the academic year (August 25, 2013)

G. **Miscellaneous Regulations.** There are no refunds on meals not eaten. Students may not share food with non-contract students. All meals must be consumed in the dining area during scheduled serving hours. Exception: bag meals, sick trays, or situations pre-approved by Food Service staff.

H. All College student conduct policies are enforced in the Food Services dining area. People observed creating a disturbance, stealing food or Food Service property, harassing other students, guests or staff; throwing food, standing on tables or chairs, hazing, entering unauthorized entrances, or behaving a manner that management deems inappropriate will be subject to disciplinary action. 10. STANDARD REGULATIONS

A. **Alcoholic Beverages and Illegal Drugs:**

   The possession or consumption of alcoholic beverages and illegal drugs is prohibited in residence halls and all other areas of the campus. Students are expected to abide by State Board of Higher Education and Bismarck State College Policies, local ordinances and state laws regarding the consumption or possession of alcoholic beverages or the possession or use of illegal drugs. Empty alcoholic containers and drug paraphernalia are likewise prohibited. Violations of this policy and/or other policies impacting our fellow residents may result in your removal from the residence halls. Non-College students, who are of minority age, found in situations with alcohol or drugs in the residence halls are subject to arrest, as are their hosts. Violation of the alcohol or drug policies will result in a first time fine of **$50 and requirement to complete the E-Chug evaluation,** $100 for second offense and 5 mandatory sessions with the BSC Counselor. A third violation is grounds for possible dismissal from the residence hall.

B. **BSC is a Tobacco Free Zone.**

   Smoking and the use of chewing tobacco are prohibited anywhere in BSC buildings, on BSC property and/or BSC rented or controlled by BSC. Violations of the no-tobacco policy will result in a **fine of $50; $100 fine for a second offense; and third violation is grounds for possible dismissal from the College.**

C. As one of the terms of the contract for accommodation in a residence hall each resident agrees to abide by these regulations, by other regulations which are not specifically set out in this License Contract but are applicable to the College and its students, and by other regulations which may be imposed by the College as the College, in its sole discretion, deems necessary or appropriate.

D. No student may create excessive noise, disturb or infringe on the rights of other students, harass, haze or in any way malign or damage the dignity of a fellow student. This includes behavior that attempts to force a roommate to move out of the room and/or attempts to prevent a new roommate from moving into the room.

E. Violation of policies, rules and regulations or any other conduct determined to warrant the removal of the offending student from the residence hall for the best interest of the other residents shall be grounds for termination of this agreement. In case such termination is required, only a prorated amount of meal contract will be refunded.

11. LIABILITY

A. The College assumes no responsibility for loss or damage to residents’ personal property. Residents should consider purchase of insurance or an extension of your parent’s insurance to cover loss or damage to personal property. In addition, you agree not to hold responsible the College and its employees and agents from any claims for damages sustained by you or others in the residence hall as a result of your acts or omissions relating to any changes or modifications made by you to your room or furnishings. This means that you are agreeing to release the College from liability in event of damage or injury caused in whole or in part by your acts or omissions relating to changes which you make in your room or its furnishings.
12. SPECIAL ACCOMMODATIONS
   A. Federal Law prohibits pre-admission inquiry about disabilities. Information regarding physical, emotional, or dietary disabilities voluntarily given or inadvertently received is confidential and has no influence on your admissions to BSC. If you require disability accommodations, please fill out the Request for Disability Accommodations form and return it to the BSC Student Accessibility Office or return with this License Contract and the Office of Student and Residence Life. If you have any questions, please contact us at (701)-224-5464 or go to bismarckstate.edu/life/ResidenceHalls to locate the form.

13. HOUSING CONTRACT CANCELLATION
   A. Reservation Cancellation Fee - It is the policy of the Office of Student and Residence Life to approve cancellations if notified thirty days prior to the designated move in date. A cancellation after this thirty day period of time will have assessed a fee of $75.00. The Office of Student and Residence Life may make an exception for individuals cancelling due to waiting list status. These cancellations will be considered on a case by case basis.
   Locate this form at: bismarckstate.edu/life/residencehalls/
   B. If you move out of the residence hall during the term of this contract and you are not entitled to a refund as provided under SBHE Policy 830.2, you will forfeit the rent for the entire contract term, EXCEPT if BSC is able to rent your unit to another student, you will be entitled to a refund for that period of time that your unit is rented to another student. The Office of Student and Residence Life will fill each vacant unit based on the reasons for the cancellation which led to that vacancy. For example, vacancies created by individuals withdrawing from College and by individuals who are graduating will be given first priority and will be filled first. Individuals applying for a contract cancellation, but maintaining enrollment in the College will have their vacancies filled chronologically when possible. BSC reserves the right to reassign the vacancy created by the request for early contract termination. This ensures BSC’s ability to accommodate incoming students with specific requests or special needs. This means that even if the particular unit you previously resided in but vacated with early termination of contract becomes occupied by an incoming student, this may not result in your ability to be released for the liability for the vacancy you created.
   C. You are responsible for properly checking out of the residence hall according to established procedure. (Contact the Residence Supervisor.) Additional charges will be assessed for room and commons damages, missing keys and cleaning of the room.

14. WITHDRAWAL FROM COLLEGE
   A. Students who withdraw from College are expected to notify the Office of Student and Residence Life. Your withdrawal from College will result in your immediate dismissal from the residence halls. Refund of room and board charges for students who withdraw, drop out, or are expelled or otherwise fail to complete the academic/program are governed by Federal Law and SBHE Policy 830.2.

15. SAFETY
   A. You are required to comply with safety and reservation procedures and may not tamper with locked doors or admit unauthorized people into the residence halls. People setting off false fire alarms, tampering with or removing fire equipment and vandalizing are subject to disciplinary action including termination of this contract.
   B. You must leave the building by the designated exit whenever the fire alarm sounds. In the event of a fire alarm requiring residents to vacate the residence halls, your windows and doors should be closed and lights left on.
C. Each resident is issued a room and outside door key. Access is limited to you and your authorized guest. College keys may not be duplicated. Lost keys require a cylinder/program change and issuance of a new key. You will be assessed replacement costs.

D. Screens and Roofs: Due to safety and facility concerns, window screens are not to be removed from windows or put in open position for any reason. A $50 charge, plus a charge for any damages, is assessed for screen tampering or removal. Windows are not to be used for entrances or exits to and from buildings unless an emergency exists. Residents are responsible for any objects thrown from windows and face serious disciplinary action. Residents and their guests are not allowed on roofs for any reason.

16. ROOM INSPECTION AND SEARCH

A. The College and the Office of Student and Residence Life consider privacy and security of a resident’s room a chief concern; however, entry of a student’s residence hall room or suite may be necessary at times. A College official may enter a room under the following conditions:

1. A resident or residents has/have agreed to the terms of acting as tour room for the BSC Enrollment Services Office.

2. Regular health and safety inspections performed by the residence hall staff throughout the semester.

3. Routine maintenance or cleaning. The College will post a schedule for suite cleaning by the Custodian and variations on that schedule in Lidstrom and Mystic Hall.

4. When there is reason to believe that an emergency situation exists which poses immediate danger to the occupants and/or to the facility.

5. To deal with disturbances which are in violation of College regulations, the residence hall room licensure and board contract, Student Conduct Code policies listed in the Student Handbook, violations of regulations for internet/computer services use, and/or the violation of rights of another student or students within the hall.

6. Materials found during entry as described in this section may be used in a College disciplinary action if said materials are found in plain sight or during the course of performing the objectives describe in this section. Materials found during an entry may be impounded.

The right to inspect rooms without notice is reserved by the College for purposes of maintenance, cleaning, fire and personal safety and for purposes of administering provisions of this contract. The College will provide reasonable notice, when possible. Such entry by the College shall not be regarded as a search but is separately agreed to and authorized by the student party to this contract.

B. The College and the Office of Student and Residence Life recognize that searches of College residences may be required to occur. The College requires that the Director of Student and Residence Life be notified of all searches to be undertaken by residence hall staff members or by law enforcement agencies. Entry and search of College residences will be conducted in the following instances:

1. A student resident consents to a search of the room.
2. BSC Police may conduct a search of a room upon obtaining a legal warrant. BSC Police will be accompanied by other College officials, preferably from the Office of Student and Residence Life staff, when a search is conducted pursuant to a warrant.

3. The College will not intervene between students and searches authorized under law by any law enforcement agencies, including BSC Police. Law enforcement officials may search a room with consent of a student, with or without another College official present. It will be the College’s practice to involve a College official, preferably a member of the Student and Residence Life staff, whenever possible during a room search by law enforcement officials. Based on information obtained or provided by law enforcement officials as a result of the search of the student’s room, the College reserves the right to initiate action under the Student Conduct Code and residence hall policies.

Student Rights and Responsibilities

Student Conduct
Policy:
It shall be the policy of Bismarck State College to have rules and regulations governing the conduct of students and to provide
regulations and procedures for disciplinary action.
Authority:
The North Dakota State Board of Higher Education has delegated the administration of student discipline to the President of the College,
who in turn may assign to individuals and/or committees the responsibility for assisting with the enforcement of the rules, regulations,
and policies of the College.
Definitions of Disciplinary Actions:
1. A FINE - is the imposition of a monetary penalty. Besides its use as a disciplinary sanction, it may also be used to compensate
   the College for a monetary loss.
2. A WARNING - is a discussion of misconduct which becomes a matter of at least temporary record.
3. PROBATION - indicates that continued enrollment is conditional upon good behavior during a specified period. It is a matter
   of temporary record and may include specific restriction of activity.
4. SUSPENSION FOR CONDUCT - is a temporary withdrawal of the privilege of enrolling in the College for a specific period.
   Suspension may be deferred to allow completion of an academic term, after which it is automatically invoked. During a period
   of deferment, the suspension may be enacted immediately by the Provost and Vice President for Academic Affairs, hereafter
   referred to as the Provost, or the Vice President, NECE and Director, National Energy Center of Excellence, hereafter referred
   to as the VP for NECE, if additional misconduct occurs.
5. EXPULSION FROM THE COLLEGE - is the withdrawal of enrollment privileges with no promise of reinstatement at any
time and no opportunity for review for at least one year.
6. EXPULSION FROM CLASS - is the immediate revocation of the privilege of attending a class, using a laboratory, or
   participating in a shop.
7. EVICTION - is the formal removal of a student from College housing.
8. WITHHOLDING TRANSCRIPTS & GRADES - is a refusal by the College to provide transcripts and grades to the student,
to other institutions, to employers, and to other agencies.
9. FAILING GRADE – is one possible penalty that may be used in the case of academic dishonesty. Depending on the
   circumstances, the failure may apply to a single assignment or exam, a unit of study, or an entire course.

Standards of Conduct Expected of Students:
1. A student is expected to obey the rules, regulations, and policies of the College. Failures to show proper respect for good order
   and the rights of others, or insubordination toward a College official in the proper execution of his or her duties will be
   regarded as cause for disciplinary action.
2. A student is expected to abide by the BSC Academic Honor Code
   Honor Code is subject to disciplinary action, including possible expulsion from the College.
3. A student arrested and convicted of a law violation may be considered as subject to disciplinary action.
4. A student who has failed to discharge a financial obligation to the College is subject to disciplinary action.
5. A student who furnishes false or misleading information on admission, registration, student I.D., or any other forms, or who
   alters College records, is subject to disciplinary action.
6. A student who willfully damages or removes College property or who obstructs the normal operation of the College shall be
   subject to disciplinary action and/or civil action.
7. A student who brings firearms onto campus or stores firearms in a campus housing unit is subject to disciplinary action.
8. A student who destroys or tampers with fire alarms or fire protection equipment is subject to disciplinary action.
9. A student who possesses unauthorized College keys is subject to disciplinary action.
10. A student who brings intoxicating liquors or other alcoholic beverages on campus is subject to disciplinary action.

11. BSC is a tobacco free campus. A student who uses tobacco in BSC buildings, on BSC property and/or BSC rented property is subject to disciplinary action.

12. A student is expected to pay any library, parking, etc. fines accumulated. If the fines are not paid within a certain time frame, a "hold" will be placed on the student's records.

13. The College considers the use, possession, distribution, or sale of those drugs (hallucinogens, narcotics, stimulants, and depressants) which are illegal except when taken under a physician's prescription as contrary to the welfare of the College. Students involved in such activities are subject to disciplinary action and will be prosecuted according to the law.

14. Situations, other than those already mentioned, which will warrant disciplinary action are those in which a student endangers or seriously threatens the life or physical safety of others, himself, or herself, lends or participates in destructive group action, has difficulties with law enforcement authorities, is cited for not obeying the laws of the community, state and/or nation, commits sexual offenses, does not respect public and private property, refuses to cooperate in efforts made to help him or her adjust to College responsibilities, or behaves in ways which discredit the College.

Procedure for Expulsion from Class or from the College:

1. All instructors and academic administrators (Department Chairs, Deans, Associate Vice President for Academic Affairs, NECE Program Managers, and the Associate Vice President for NECE) are empowered to temporarily expel a student from a class, laboratory, or shop. Temporary expulsion will continue for not more than one calendar week or until the Provost shall overturn the expulsion, instate permanent expulsion, or the student appeals the expulsion.

2. A student may be permanently expelled from a class, laboratory, shop, program, or from the college by the Provost or VP for NECE.

3. Students may appeal temporary or permanent expulsion by following the due process procedures stated in the Student Grievance and Appeal policy.

Limits, Regulations, and Procedures:

1. If misconduct is alleged, the Provost or VP for NECE may order immediate disciplinary action or require a hearing.

2. If the Provost or VP for NECE requires a hearing, he/she may assign the responsibility of a hearing to a Hearing Committee or a Hearing Officer.

   a. Pending completion of the hearing, the status of a student should not be altered or the right to be present on the campus and attend classes suspended, except for reasons relating to his or her physical or emotional safety and well-being, for reasons relating to safety and well-being of other students, faculty or College property.

   b. Students shall be given every reasonable opportunity to present their case, including the presentation of written and oral testimony by themselves and their witnesses, and students will have the right to be assisted by an advisor, friend, or counsel.

   c. If the Hearing Committee or Officer decides that disciplinary action is required, they will notify the Provost or VP for NECE of their decision.

   d. The Hearing Committee or Officer shall submit a written report of the proceedings to the Provost or VP for NECE. The report need not be verbatim, but must include all matters upon which the final decision was based.

   e. Ordinarily the College shall abide by the recommendations of the Hearing Committee or Officer, except that the Provost or VP for NECE retains the right to modify or reject Committee or Hearing Officer's recommendations.

3. A student may follow due process procedures as stated in the Student Grievance and Appeal Policy if he or she disagrees with the final decision.

Records and Reinstatement:

1. Suspension and expulsion from the College are matters of permanent record.

2. Reinstatement after suspension--the Registrar may permit reinstatement after suspension. However, the Registrar may do so only after the student has completed the terms of the suspension.

3. Reinstatement after expulsion from the College--in unusual cases the Provost or VP for NECE may readmit a student who was expelled, for reasons of conduct.
Academic Honor Code
Policy:
Students at Bismarck State College are expected to be honorable in behavior and above reproach in pursuit of their academic achievements. Cheating, plagiarism, or collusion in class work, laboratory performance, shop work, or test taking is unacceptable and subject to disciplinary action (http://www.bismarckstate.edu/uploads/resources/372/StudentConduct.pdf).

Definitions:
1. Cheating includes, but is not limited to:
   a. Copying from another student.
   b. Possessing or using material during an academic activity not authorized by the instructor.
   c. Collaborating with or seeking aid from another student without permission from the instructor.
   d. Knowingly using, buying, selling, stealing, transporting, or soliciting in whole or in part the contents of an unadministered test or information about an unadministered test.
   e. Altering grades or academic records.
   f. Substituting for another person or permitting any other person to substitute for oneself to take an examination or complete a class assignment.
   g. Submitting, without specific permission of the instructor, work that has been previously offered for credit in another course.
   h. Sabotaging another student’s work.
   i. Submitting altered or falsified data as experimental data from laboratory projects, survey research, or other field research.
   j. Falsifying or committing forgery on any College form or document.
   k. Committing any willful act of dishonesty that interferes with the operation of the academic process.
   l. Facilitating or aiding in any act of academic dishonesty.

(These definitions were adopted in part from the University of North Dakota and the University of Arkansas and used with permission.)

2. Plagiarism is the appropriation, buying, receiving as a gift, or obtaining by any means another person’s work and the unacknowledged submission or incorporation of it in one’s own work. This includes copyrighted artwork and design.

How can students avoid plagiarism? To avoid plagiarism, you must give credit whenever you:
- Use another person’s idea, opinion, or theory;
- Use any facts, statistics, graphs, drawings—any pieces of information that are not common knowledge;
- Use quotations of another person’s actual spoken or written words; or
- Paraphrase another person’s spoken or written words.

If you are unclear about plagiarism, consult with your instructor or librarian. They will instruct you on how to represent your ideas as distinct from the ideas of someone else. (These guidelines were adopted from the University of Indiana).

3. Collusion is the unauthorized collaboration with another person in preparing work offered for credit.

Use of Computer and Network Facilities
Policy:
Individuals who use Bismarck State College (BSC) computing and networking resources assume the responsibility to use the resources in an appropriate manner. Misuse of computing and networking resources is considered a violation of the campus computing policy and regulations. It may also be a violation of law if data or individuals are disturbed or the privacy of the individuals is violated.

North Dakota University System (NDUS) Procedure 1901.2, Computer and Network Usage, contains specific policies, procedures, rights, and responsibilities which also apply to BSC. NDUS Procedure 1901.2, Computer and Network Usage, can be viewed at: http://www.ndus.edu/makers/procedures/ndus/default.asp?PID=301&SID=62

This BSC Use of Computer and Network Facilities policy is in addition to NDUS Procedure 1901.2, Computer and Network Usage, and is based in large part on the definitions of “Authorized Use” and “Authorized Users” from section 1 of NDUS Procedure 1901.2, Computer and Network Usage:

“Authorized use:
Use of computing and networking resources shall be limited to those resources and purposes for which access is granted. Use for political purposes is prohibited (see Section 39-01-04 of the ND Century Code). Use for private gain or other personal use not related to job duties or academic pursuits is prohibited, unless such use is expressly authorized under governing institution or system procedures, or, when not expressly authorized, such use is incidental to job duties or limited in time and scope, and such use does not: (1) interfere with NDUS operation of information technologies or electronic mail services; (2) burden the NDUS with incremental costs; or (3) interfere with the user's obligations to the institution or NDUS.”

“Authorized user(s):
Computing and networking resources are provided to support the academic research, instructional, outreach and administrative objectives of the NDUS and its institutions. These resources are extended to accomplish tasks related to the individual's status with NDUS or its institutions. Authorized users are (1) current faculty, staff and students of the North Dakota University System; (2) individuals connecting to a public information service (see section 5.3); and (3) other individuals or organizations specifically authorized by the NDUS or an NDUS institution. For the purposes of this policy, no attempt is made to differentiate among users by the user's
group. These policies treat all users similarly, whether student, faculty, staff or other authorized user, in terms of expectations of the user's conduct.

**Limits and Regulations:**

The use of the campus computer and networking service is a privilege that may be revoked at any time for inappropriate behavior. Examples of uses which BSC considers to be unauthorized and unacceptable include, but are not limited to:

- Stalking, fraud, misrepresentation, luring of minors or sending harassing, intimidating and/or threatening messages through electronic mail or other means;
- Intentionally intercepting, disclosing or using any electronic communication to which authorized access is not explicitly provided;
- Initiating or encouraging chain letters, unauthorized automated or mass postings, or other types of unauthorized large-scale distributions;
- Providing others with access to one’s personal computer account(s);
- Gaining or attempting to gain access to the personal computer accounts, files, electronic information of others, or to accounts, files or systems to which authorized access has not been granted;
- Hacking or related behavior attempting to compromise BSC security or the security of remote systems accessed through BSC equipment or networks;
- Creating or releasing computer viruses or engaging in other destructive or potentially destructive programming activities;
- Browsing, viewing and/or sharing of pornographic material or Internet chat of a sexual nature;
- Disruption of network traffic by overloading the system or otherwise denying or restricting the access of others;
- Modifying, altering or otherwise tampering with systems hardware, software or networking infrastructure unless explicitly authorized to do so by the Chief Information Services Officer;
- Setting up a router and building a private subnet;
- Setting up wireless access points unless explicitly authorized to do so by the Chief Information Services Officer;
- Copying or distributing commercial or other copyrighted software or proprietary data which has not been placed in the public domain or been distributed as freeware;
- Use of BSC computers, systems, networks and/or services for political purposes, for commercial purposes or unauthorized financial gain;
- Use of BSC computers, systems, networks and/or services for on-line gaming or on-line gambling (playing games on BSC computers is prohibited unless done in a classroom situation under the supervision of an instructor);
- Use of BSC computers, systems, networks and/or services for peer-to-peer file sharing applications to download or share music or movies is prohibited. Examples of peer-to-peer applications include, but are not limited to Limewire, BitTorrent, Kazaa, Gnutella, Morpheus, Napster, Web radio, etc.;
- Use of BSC computers for mail spoofing (sending mail so as to appear to come from someone other than the actual sender) or for TCP spoofing (making your computer look like a different computer on the network);
- Use of BSC computers, systems, networks and/or services for packet sniffing (putting your network interface card in the promiscuous mode in order to see data destined for other machines) unless explicitly authorized to do so by the Chief Information Services Officer;
- Any act chargeable as a violation of local, state or federal law, whether or not charges are brought by civil authorities.

In order to protect the campus data networks, BSC Information Services department reserves the right to control network access. In the event of threats or network disruption, it may be necessary to temporarily block specific types of network traffic or isolate portions of the network. Devices may be removed from the network or have network access blocked without notice if they pose a threat to the network, the device itself or the user(s) of the device. Examples of reasons why a device might be removed or blocked from the network include, but are not limited to the following:

- A device is used for unauthorized use or by unauthorized users;
- Network addresses are unauthorized, misappropriated or have been modified to avoid restrictions;
- The provisioning of network services from user computers (e.g. BBS, IRC Server, DHCP Server, DNS Server, FTP, POP3, SMTP, WINS Server, Hotline, SNMP). Users who have a need to provide such services from their personal computers must have prior written authorization from the Chief Information Services Officer at BSC before running any such services.
- A device poses a threat to the network or the user because of vulnerabilities, compromises, incompatibilities with the network or other reasons.

Violation of this policy may be subject to discipline, which may include loss of computer and network privileges. Portions of this policy are drawn from those developed by North Dakota State University and the University of North Dakota.

**Email Policy:**

Bismarck State College (BSC), recognizing the growing need for timely, efficient and consistent communication with students, has established email as an official means of communication with students.
Limits and Regulations:

1. Students who have been admitted and matriculated to Bismarck State College are assigned a North Dakota University System Identifier (NDUS ID). The NDUS ID will take the form of or a variation of “FirstName.LastName”. This NDUS ID will allow the individual access to services provided by NDUS and BSC, which include but are not limited to PC lab authentication, email address, Campus Connection, etc.

2. The student is required to go to http://outlook.com to activate and access their email. The email address will take the form of “NDUS ID @my.bismarckstate.edu”. The address created will be considered the “official email address” of BSC and will be the primary contact the college uses to inform students of important campus information. Some of this information may include deadlines, policy/procedure changes, changes in degree requirements, special events, course schedule changes, as well as other useful information from the Administration and/or Academic departments on campus.

3. The student will be responsible for the information conveyed to their official email address. The college will not be responsible for the handling of the email by outside vendors or unofficial servers. When students do not use their BSC assigned email account, or they forward email from that account to another account, vital information may not be conveyed if the email is unopened or the associated attachment is not forwarded. Unopened email or having email redirected does not relieve a student of the responsibilities associated with communication sent to their official BSC email address.

4. Students are expected to check their official BSC email on a frequent and consistent basis in order to stay current with College events, dates for submitting materials and other campus communications. It is recommended that the students access their email account daily.

5. This email account is free of charge and is active as long as the student remains enrolled at the college.

Alcohol and Illegal Drugs Policy:

Students at Bismarck State College are required to abide by all federal, state and local laws regarding the possession, sale, use and consumption of alcoholic beverages. In addition, they are required to obey campus regulations regarding alcoholic beverages, as stated in this policy.

The college also considers the use, possession, distribution, or sale of those drugs (hallucinogens, narcotics, stimulants, and depressants) which are illegal except when taken under a physician’s prescription as contrary to the welfare of the College. Students involved in such activities are subject to disciplinary action and will be prosecuted according to the law.

Statement of General Principles:

Bismarck State College recognizes the serious problems created by the use and abuse of alcohol and drugs. In response to this awareness, Bismarck State College has an alcohol and drug prevention program and is committed to:

1. Establishing and enforcing clear policies and regulations regarding the use of alcohol and/or drugs.
2. Educating students about the dangers and health risks associated with the abuse of alcohol and/or use of illegal drugs.
3. Conducting programming each year to provide activities and events promoting a healthy lifestyle and environment.
4. Providing resources and referral services for students who experience alcohol and/or drug abuse.

Campus Regulations:

1. A student who brings or uses intoxicating liquors, alcoholic beverages or illegal drugs on campus is subject to disciplinary action.
2. A student who attends class under the influence of alcohol or illegal drugs is subject to disciplinary action.
3. Faculty and staff are justified in contacting appropriate law enforcement authorities and/or campus security in the event a student is under the influence.
4. Students who are involved in illegal drug usage, off the premises of the campus, may also face disciplinary action.
5. Student organizations, societies and clubs are not allowed to sponsor on-campus or off-campus events at which alcohol or illegal drugs are consumed.
6. Sale of alcoholic beverages and/or drugs by student organizations, societies and clubs is strictly forbidden. (This is to include any action that can be remotely construed as alcohol sale such as charging admission to parties, passing the hat, selling empty cups, selling drink tickets, etc.)
7. Alcoholic beverages and/or drugs may not be used as awards or prizes in connection with events or activities sponsored by student organizations, societies and clubs.
8. Advertisements for alcohol sales and bars are not allowed to be posted on campus. These advertisements will also not be allowed electronically or printed in BSC publications.
9. Disciplinary action, which may include expulsion from the College, shall follow the procedures and regulations for disciplinary action that are found in the BSC Student policy titled "Student Conduct." In addition, such matters may be reported by the College to the appropriate law enforcement authorities.
10. Since involvement with drugs may be associated with medical and/or psychological problems, students may be referred or may refer themselves to counseling or medical services.
North Dakota Law on Alcoholic Beverages:
1. The state of North Dakota requires that individuals be at least 21 years of age to buy, possess and consume alcoholic beverages.
2. It is illegal to give or sell alcohol to an individual under the age of 21.
3. It is illegal to have an open container of alcohol in any vehicle.
4. It is illegal to serve alcohol to an intoxicated person.
5. It is illegal to sell alcohol of any kind without a license or permit.
6. Organizations are not immune from prosecution for a legal violation. The officers of that group are usually the parties cited, but every group member is liable.
7. Driving while intoxicated (.08 blood alcohol content) is a criminal offense.
8. Being intoxicated is not a legal defense for any charge, including assault, rape, vandalism, slander, manslaughter or accident.
9. If an underage person is involved in a drinking/driving crash after leaving a party, the victim(s) of the crash may sue both the person at fault and those who provided the alcohol.

North Dakota Law on Illegal Drugs:
North Dakota has adopted the Uniform Controlled Substances Act, which restricts the manufacture, transfer, and possession of narcotic drugs and other drugs that have a potential for abuse or that may lead to physical or psychological dependence.
1. It is a Class A felony to manufacture, deliver, or possess with intent to manufacture or deliver a controlled substance such as methamphetamine or narcotic drugs such as opium or cocaine in North Dakota.
2. Felony Penalties: Class A (up to 20 years imprisonment and/or a $10,000 fine), Class C (up to five years imprisonment and/or $5,000 fine).
3. Possession of one-half ounce to one ounce of marijuana is a Class A misdemeanor.
4. Possession of less than one-half ounce (14.175 grams) is a Class B misdemeanor.
5. Inhaling vapors of a volatile chemical in a manner designed to create intoxication, hallucination, or elation is a Class B misdemeanor.
6. Possession of drug paraphernalia for controlled substances other than marijuana is a Class C felony.
7. Possession of drug paraphernalia for marijuana is a Class A misdemeanor.
8. It is a Class A misdemeanor to advertise drug paraphernalia.
9. Misdemeanor penalties: Class A (up to one year imprisonment and/or $2,000 fine), Class B (up to 30 days imprisonment and/or $1,000 fine).

Federal Law:
Federal law provides criminal and civil penalties for unlawful possession or distribution of drugs and alcohol. See http://www.usdoj.gov/dea/agency/policies.htm for details on federal trafficking penalties for controlled substance violations. Penalties include incarceration, fines, forfeiture of property, ineligibility to own firearms, and becoming ineligible to receive federal benefits such as student loans and grants.

Disciplinary Action:
1. Students are expected to obey the regulations of this policy, are obliged to obey the alcoholic beverage and drug laws of the State of North Dakota and federal laws regarding these matters. Failure to abide by the College regulations and North Dakota and federal law, will result in disciplinary action.
2. State law, Federal law and College policy will be regarded as the principle bodies of rules governing the use of drugs for BSC students.
3. Procedures and definitions of disciplinary action are found in BSC Student Policy titled, "Student Conduct."
4. Each student will be held responsible for his/her own behavior, and it will not be regarded as “double jeopardy” for both civil authorities and the College to initiate disciplinary sanctions against a student who violates College policy or law.
5. A federal or state drug conviction can disqualify a student from Federal Student Aid eligibility. If a student is convicted of possession or sale of illegal drugs during a period of enrollment for which the student was receiving federal financial aid, the student will lose eligibility for federal student aid funding. The student can lose federal financial aid eligibility of one year from the date of the first conviction, two years from the date of the second conviction and indefinitely for a third offense for the possession of illegal drugs. A student can lose federal financial aid eligibility for two years from the date of the first conviction and indefinitely for the second conviction for the sale of illegal drugs. A student can regain eligibility the day after the period of ineligibility ends or when he or she successfully completes a qualified drug rehabilitation program.

Health Risks of Alcohol and Other Substances of Abuse:
Alcohol: Alcohol consumption causes a number of impairments including changes in behavior and normal body function. Even low doses significantly impair judgment, coordination mental function thus increasing the risks of accidents and injuries. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses taken acutely can cause respiratory depression and even death. Statistics show that alcohol use is involved in a majority of violent behaviors on college campuses, including acquaintance rape, vandalism and fights. Additional consequences include DUI arrests and serious or fatal car crashes. Continued abuse may lead to dependency, which can cause permanent damage to vital organs and deterioration of a healthy lifestyle.
Amphetamines: Amphetamines can cause a rapid or irregular heartbeat, tremors, convulsions, loss of coordination, collapse, and death. Heavy users are prone to irrational acts.
Cannabis (Marijuana, Hashish): The use of marijuana may impair or reduce short-term memory and comprehension, alter sense of time, and reduce coordination and energy level. Users often have a lowered immune system and an increased risk of lung cancer. The active ingredient in marijuana, THC, is stored in the fatty tissues of the brain and reproductive system for a minimum of 28 to 30 days.
Club Drugs - Club drugs are drugs such as MDMA (Ecstasy), Rohypnol, GHB, LSD, and methamphetamine and others, which are used at all-night parties such as trances or raves, dance clubs and bars. These party drugs, particularly when mixed with alcohol, can cause serious health problems, injuries, or even death.

Cocaine/Crack: Cocaine users often have a stuffy, runny nose and may have a perforated nasal septum. The immediate effects of cocaine use include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature, followed by depression. Crack, or freebase rock cocaine, is extremely addictive and can cause delirium, hallucinations, blurred vision, severe chest pain, muscle spasms, convulsions, and even death.

Hallucinogens: Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. The user may experience panic, confusion, suspicion, anxiety, and loss of control. Delayed effects, or flashbacks, can occur even when use has ceased. Phencyclidine (PCP) affects the section of the brain that controls the intellect and keeps instincts in check. Because the drug blocks pain receptors, PCP episodes may result in self-inflicted injuries, violence and aggressive behavior toward others.

Heroin: Heroin is an opiate drug that causes the body to have diminished pain reactions. Overdoses of this highly addictive drug can result in coma or death due to respiratory failure or cardiovascular collapse.

To find out more about these commonly abused agents and others substances of abuse not listed here go to the Drug Enforcement Administration http://www.dea.gov/concern/concern.htm

Student Grievance and Appeal Policy:
Bismarck State College recognizes the importance of providing prompt and efficient procedures for fair and equitable resolutions of a student grievance or appeal. The following are procedures to follow for resolving a grievance or appeal.

Definitions:
Grievance: A grievance is an alleged unfair, inequitable, or discriminatory interpretation, application, or implementation of college policy or procedure.

Appeal: An appeal is a request for reconsideration of a decision or sanction of the application of a college policy or procedure. Appealable decisions include sanctions/actions taken for student conduct, housing, or parking violations. Academic grades and financial aid decisions are also appealable.

Specific Procedures:
Grade Appeals: Students who receive a grade that they believe does not correctly reflect their performance should discuss the grade with the instructor. If the matter is not resolved, it should be discussed with the appropriate department chair. If the matter is still not resolved, it should be discussed with the Dean of Academic Affairs. If the matter is still not resolved, it should be discussed with the Associate Vice President for Academic Affairs. If the matter remains unresolved, the student may appeal the issue to the Standing Committee on Grade Appeals. Information relating to the appeal process is available in the Associate Vice President for Academic Affairs Office.

Financial Aid Appeal: Students who have a grievance or concern about a financial aid decision must present their appeal or grievance directly to the Financial Aid Committee. Information relating to the appeal process is available in the Financial Aid Office.

General Grievance/Appeal Procedure:
Informal Process: The purpose of the informal procedure is to allow the parties involved in a grievance or appealable decision to attempt to resolve the problem themselves through the following steps:
1. The student should attempt to discuss the complaint with the person who appears to be the source of the grievance or who made the appealable decision. This should be done within 10 class days of the incident or situation.
2. If the problem is not resolved in the first step, the student should take the complaint to the respondent’s immediate supervisor.
3. If the problem is not resolved in the satisfaction of the student through the informal process, the student may enter the formal grievance process. This should take place within 5 class days after talking to the supervisor in step 2.
If the student does not initiate the informal process within 10 class days of the incident or situation but at a later date, either the student or the respondent may refer the issue to the formal grievance process.

**Formal Grievance/Appeal Process:**

1. The respondent shall submit a complaint in writing to the appropriate college Director, Department Chair, or Dean (respondent) of the area responsible for the action which forms the basis of the grievance or appeal. The complaint shall contain a clear and concise statement of the grievance or appeal, the remedies sought and a request for a meeting with the involved person or persons. The complaint must be submitted within 10 class days of the event, unless there are extenuating circumstances.

2. The respondent shall schedule a meeting with the student within 10 class days of receiving the written grievance or appeal, to discuss the matter. A written reply by the respondent to the student indicating the results of the meeting and including further action, if any, to be taken shall be attached to the written grievance or appeal.

3. If the student is not satisfied, the student may appeal in writing to the Chair of the Standing Committee on Student and Campus Relations. The grievance or appeal must be filed within 5 class days after the decision of the Director, Department Chair or Dean. **Harassment Policy:**

It is the policy of Bismarck State College to maintain academic conditions under which students are free from unlawful harassment. Engaging in harassment is unacceptable conduct which will not be tolerated. Any student or employee found to have engaged in harassment will be subject to disciplinary action. Managers and supervisors who know or should have known of harassment and fail to report such behavior, or fail to take immediate, appropriate action, will be subject to disciplinary action up to and including termination.

This policy recognizes BSC's commitment to the understanding that the maintenance of ethical standards and the concerns for academic freedom prohibit the exploitation of students and employees. BSC is required by law and State Board of Higher Education (SBHE) Policy to take all steps necessary to prevent harassment. These steps include informing individuals of their rights and responsibilities, developing educational programs to sensitize the campus community to the issue, and developing sanctions against harassment.

**Guidelines:**

1. Harassment is a form of offensive treatment or behavior, which to a reasonable person creates an intimidating, hostile or abusive environment. It may be sexual, racial, based on gender, national origin, age, disability, religion or a person's sexual orientation. It may also encompass other forms of hostile, intimidating, threatening, humiliating or violent behavior, which are not necessarily illegal discrimination, but are nonetheless prohibited by this policy.

2. Sexual harassment means unwelcome or unwanted sexual advances, requests or demands for sexual favors, verbal abuse or kidding that is sex-oriented and considered unacceptable by a student, engaging in any type of sexually oriented conduct that would unreasonably interfere with a student's academic performance, or creating a learning environment that is intimidating, hostile or offensive because of unwelcome or unwanted sexually-oriented conversations, suggestions, requests, demands, physical contacts, or attentions.
3. Illegal harassment may consist of verbal or physical behavior which relates to an individual's race, color, national origin, religion, gender, age and/or disability when such conduct has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile or offensive educational environment. Harassment can also be verbal or physical behavior which is derogatory, abusive, disparaging, "bullying," threatening or disrespectful, even if unrelated to a legally protected status.

To aid students in identifying prohibited behavior, the following specific examples of harassment are provided (these examples are not meant to be all inclusive):

1. Unwelcome touching of a personal nature, which can encompass leaning over, patting, pinching, brushing up against, hugging, cornering, kissing, fondling, or any other similar physical contact considered unacceptable by another individual.

2. Subtle or blatant expectations, pressures or requests for any type of sexual favor accompanied by an implied or stated promise of preferential treatment or negative consequence concerning one's academic status. Extending unwanted sexual attentions to a student that reduces personal productivity or time available to work at assigned tasks.

3. Comments about a student's body or appearance where such comments go beyond mere courtesy; telling "dirty jokes" that are clearly unwanted and considered offensive by others; or any other tasteless, sexually oriented comments, innuendos, or actions that offend others; or singling out a student in class and saying things to her/him of a sexual nature.

4. Slurs and jokes about a class of persons, such as persons who are disabled, homosexual, or a racial minority. Derogatory remarks about a person's national origin, race, gender, language or accent.

5. Display of explicit or offensive calendars, posters, pictures, drawings or cartoons which reflect disparagingly upon a class of persons or a particular person.

6. Disparaging or disrespectful comments even if unrelated to a person's race, color, gender, national origin, religion, age, disability or sexual orientation.

7. Loud, angry outbursts or obscenities directed toward another student, staff or faculty.

8. Please note that harassment in electronic form is also prohibited under NDUS Procedure 1901.2 - Computer and Network Usage.

Supervisor and Employee Responsibility:

1. Administrators, managers and supervisors are expected to deal promptly with all employees, students, customers, contractors, and visitors who are harassing students at any BSC campus or BSC activity.

2. An employee or student who engages in harassment of students is subject to standard disciplinary procedures.

3. Administrators, managers and supervisors who become aware of harassment but fail to take immediate action against it will be subject to disciplinary procedures, also. Not taking immediate action is viewed by the courts as condoning the behavior. EEOC states an employer is responsible for acts of harassment in the workplace where the employer knows, or should have known, of the conduct, unless it can be shown the organization took immediate and appropriate corrective action.

4. Any employee who becomes aware of any complaint or type of harassment must report it immediately to their supervisor or Rita Lindgren, Chief Human Resources Officer, or designee and fill out the “Harassment Complaint Form.” Employees who fail to immediately report any complaint or type of harassment are subject to disciplinary procedures.

Reporting Harassment:
The Harassment Complaint Procedure (http://www.bismarckstate.edu/uploads/resources/385/HarassmentComplaint.pdf) is available for any person who wishes to file a complaint alleging a violation of this policy.

Notice of Nondiscrimination:
Bismarck State College is an equal opportunity institution that does not discriminate on the basis of race, color, gender, national origin, age, religion, sexual orientation, or disability in its admissions, student aid, employment practices, education programs or other related activities.

Sexual Assault
Policy:
Bismarck State College strives to create a campus community free from interpersonal abuse including sexual assault. BSC commits its resources to the following two fold process: (1) to provide crisis intervention and a judicial/disciplinary response for victims and alleged offenders, and (2) to educate and promote discussion on interpersonal abuse and violence.

Definition:
For the purpose of this policy, sexual assault is any sexual behavior between two or more people to which one person does not or cannot consent. BSC relies upon North Dakota state law concerning sexual imposition which is much broader than the traditional concept of rape.

BSC prohibits sexual acts or contacts with others which can involve compelling a victim to sexual acts or contacts by force or threat of force, use of intoxicants to substantially impair the victim's power to give consent, engaging in such acts when there is reasonable cause to believe the other person suffers from a mental state which renders him or her incapable of understanding the nature of the contact, or where the victim is under fifteen years of age. The abuse of alcohol or other substances does not relieve individuals of their responsibilities to themselves or others.

Prohibited behavior includes all forcible and non-forcible sex offenses provided for under North Dakota state law. Examples of prohibited behavior include, but are not limited to the following:

- Acquaintance or date rape
- Stranger rape
- Attempted sexual acts by use of verbal or non-verbal threats
- Indecent exposure

Discipline Action:
Campus sexual assault is both a violation of the BSC student policy and a violation of local, state, and federal laws. A sexual assault offense can lead to two proceedings: (1) disciplinary action as outlined in the student conduct policy, and (2) a criminal court case against the assailant.

Disciplinary proceedings following a sexual assault report include:
- The right of the accuser and the accused to have the same opportunities in having others present during the campus disciplinary process
- The right of the accuser and the accused to be informed of the outcome of the campus disciplinary process

Reporting Sexual Assault:
The guiding principle in the report of a sexual assault is to avoid potentially re-victimizing the sexual assault survivor by forcing the individual into any plan of action. A student who has been sexually assaulted should:

- Contact BSC Police or city law enforcement
- Seek medical treatment
- Initiate a campus and/or criminal complaint with civil authorities
- Pursue counseling services with the BSC campus counselor or an off-campus appropriate agency

The Following are Reporting Suggestions:
1. It is recognized that a sexual assault survivor may be undecided about reporting the assault to the police. A report to the police can empower the survivor in exercising legal rights and aid the protection of others. If a report is to be made to the police, the survivor will be encouraged not to destroy evidence by bathing, douching, changing clothes, or cleaning up in any way.
2. The sexual assault survivor, who does not wish to see the police, will be encouraged to seek medical treatment. A medical exam will treat physical problems and may diminish fears about injury or venereal disease. The confidential medical exam includes preserving evidence in the event that the survivor later chooses to file a police report.

All reports of sexual assault are treated with respect to the privacy of the involved individuals. Incidents are reported to appropriate departments and agencies in consideration of safety concerns and investigative needs. BSC publishes annual statistics on incidents of sexual assault in accordance with the Cleary Act.

Bismarck State College offers the following services:
- Escort services
- Place of residence and phone number change
- Restraining order assistance
- Academic schedule adjustments

Campus Surroundings:
BSC continuously considers the physical surroundings in addressing campus security to avoid assault and other crimes on campus. The physical surroundings are modified when seen as a possible threat to the safety of students, staff, and faculty. Campus administrators, police, and the BSC Board of Governors tour campus on an annual basis to determine if there are any safety concerns. They assess campus signs, lighting, and locking procedures.
