The Residence Hall Room and Board License Contract creates a license for the student to use campus housing and is not a lease. The relationship between BSC and the student is that of licensor-licensee and not that of landlord-tenant. A license creates a privilege for you to use residential housing subject to the conditions of this contract and College policies and procedures.

1. **APPLICATION PROCESS AND PAYMENTS**
   A. A total fee of $25.00 must be submitted with the Residence Hall Room and Board License Contract. This is a non-refundable application fee.
   
   B. Hall reservations will be made only after the student has filed the necessary application materials with the Office of Enrollment Services and has been accepted for enrollment.
   
   C. Room and Board charges are transferred to your BSC Student Finance account. Make sure you check BSC Student Finance guidelines and due dates for making payments.
   
   D. Bismarck State College has the right to refund any payment, to refuse assignment to any applicant and to make all final decisions as to assignments for room or room and board. Contact the Student and Residence Life Office for information and current prices. (701-224-5464)
   
   E. Roommate assignments are often not determined until the end of the spring semester in the academic year preceding the contract start date. If there are no vacancies in the residence halls, the student will be notified and automatically placed on a waiting list until a vacancy does occur.
   
   F. Meningococcal immunization – Students living on campus must provide documentation of immunity against meningococcal disease. Effective fall 2012, newly admitted students ages 21 and younger residing in campus housing, must provide documentation of immunity against meningococcal disease. Documentation means (a) evidence of at least one dose of meningococcal conjugate vaccine in the five years prior to enrollment or (b) evidence of two doses of meningococcal conjugate vaccine administered at age 10 or older and at least 8 weeks apart. The Student and Residence Life Office will verify immunization through the Office of Enrollment Services and Admissions. The Student and Residence Life Office may refuse to assign a room to a student until verification for meningococcal immunization is received.

2. **CONTRACT TERM**
   A. The term of this contract is for the academic year, August 25, 2013 - May 09, 2014. (See pg.4)

3. **FOOD SERVICES**
   A. All students living in a residence hall must contract for meals with Food Services for the College dining area. Residents must choose between the following options:
      1. 12 Meal Plan – 2 meals each day – Monday through Friday, 1 meal each day – Saturday & Sunday
      2. 17 Meal Plan – 3 meals each day – Monday through Friday, 1 meal each day – Saturday & Sunday
   
   B. Meals are served three times a day Monday through Friday and one meal each day Saturday and Sunday, except when classes are not in session, holidays, vacation periods, or times Food Services must be closed for reasons beyond our control.
   
   C. Bag meals are available for eligible students who are unable to eat during regular meal periods because class or work schedules conflict with the Food Services schedules. Bag meals can be arranged with the Food Services Manager and arrangements will be made for you or a friend to pick up your bag meal. You may be required to provide a work or class schedule to verify that you have conflicts with Food Services schedules. Students who have registered for bag meals may not eat that meal in the dining area.
D. **Sick trays** are available to students that cannot come to the dining area because of illness or injury. If you are not feeling well or if you are injured and unable to attend the dining area, please make arrangements with Food Services to have a friend or staff member pick up a sick tray for your meal or meals for that day.

E. If you have **special diets or special needs requiring accommodations**, we ask that you notify the Student and Residence Life Office. Depending on your situation, it may be necessary that you complete a Request for Disability Related Accommodations form. See #12 Special Accommodations section of this contract.

People observed creating a disturbance, stealing food or Food Services property, harassing other students, guests or staff, throwing food, standing on tables or chairs, haz ing, entering through unauthorized entrances, or behaving in a manner that management deems inappropriate will be subject to disciplinary action. Complaints or suspected violations should be reported to Food Services staff or the Student and Residence Life Office.

   *Note: During the academic year 2013-2014, it is projected that the BSC Student Union will undergo construction renovations. The projected construction may require Food Services to adjust actual service or location during this academic year. The college will work diligently to limit, as much as possible, the inconvenience to the students utilizing the Food Services meal plans, but it is important for students to be aware of this situation.*

Empty alcoholic containers and drug paraphernalia are likewise prohibited. Violations of this policy and/or other policies impacting your fellow residents may result in your removal from the residence halls. Non-College students, who are of minority age, found in situations with alcohol or drugs in the residence halls are subject to arrest, as are their hosts. Violation of the alcohol or drug policies by a student will result in a fine of **$50 for a first offense and requirement to complete the E-Chug evaluation, and a fine of $100 for a second offense** and 5 mandatory sessions with the BSC Counselor.

B. **BSC is a Tobacco Free Zone.** Smoking and the use of chewing tobacco are prohibited anywhere in BSC buildings, on BSC property and/or BSC property rented or controlled by BSC. In case such termination is required, only a prorated amount of meal contracts will be refunded.

The College assumes no responsibility for loss or damage to residents’ personal property. Residents should consider purchase of insurance or an extension of your parent’s insurance to cover loss or damage to personal property. The Student and Residence Life Office will fill each vacant unit based on the reasons for the cancellation which led to that vacancy. For example, vacancies created by individuals withdrawing from College and by individuals who are graduating will be given first priority and will be filled first. Individuals applying for a contract cancellation, but maintaining enrollment in the College will have their vacancies filled chronologically when possible. BSC reserves the right to reassign the vacancy created by the request for early contract termination. This ensures BSC’s ability to accommodate incoming students with specific requests or special needs. This means that even if the particular unit you previously resided in but vacated with early termination of contract becomes occupied by an incoming student, this may not result in your ability to be released from the liability for the vacancy you created.

cleaning, fire and personal safety and for purposes of administering provisions of this contract.
The College will provide reasonable notice, when possible. Such entry by the College shall not be
regarded as a search but is separately agreed to and authorized by the student party to this
contract.

B. The College and the Student and Residence Life Office recognize that searches
of College residences may be required to occur. The College requires that the
Director of Student and Residence Life be notified of all searches to be
