Tips for using and navigating the interactive requirements report:

- By default, the report expands requirements that are not satisfied and collapses requirements that are satisfied. Use  and  to collapse and expand every requirement in the report.
- The three icons ,  and  indicate the status of a course used to satisfy an academic requirement as Taken, In Progress, or Planned.
- Click  to expand and  to collapse an individual academic requirement.
- By default, a maximum of 10 courses are displayed for an individual requirement. Use View All, First, Next and Last to view more. They will look like this: [View All](#)

First  1-10 of 27  Last.

5. Click on a course name to view a description of the course. Course sections are also shown.
6. The first requirement on every report is a notice that official degree requirements completion is determined by the Registrar. This requirement may be collapsed but will never be satisfied.
7. All requirements are organized into three levels and reflect a student's academic program(s).
 - a. Dark blue bars are the highest level of requirements. Usually, they are the following:
 - i. Liberal Arts Requirements AND
 1. Associate in Arts (AA) Requirements OR
 2. Associate in Science (AS) Requirements
 - ii. Technical Program Requirements AND
 1. Certificate Requirements OR
 2. Associate in Applied Science (AAS) Requirements
 - b. Light blue bars are the next level of requirements and are grouped under dark blue bars. Two common examples of light blue bars include the following:
 - i. Minimum GPA Requirements
 - ii. General Education Requirements
 - c. Detail lines are the most specific level of requirements and are included below light blue bars. These lines include the specific courses used to satisfy a requirement. Every detail line of a requirement or requirement group must be satisfied for the requirement or requirement group to be satisfied.
