SENIOR CITIZEN WAIVER

STUDENT GUIDELINES/FORM

Senior citizens. age 65 or older may receive a tuition waiver toward one on-campus course for audit each semester.

The waiver is based on a "space available" determination in the on-campus classroom. Students will not be able to enroll in the class until after the designated "last day to enroll".

Enrolling in the course prior to the last day designated to enroll, even if it is for audit, may void the waiver application, if no "available seats" are available. The student at this point, will be responsible for the full cost of the class.

An approved waiver, meeting all qualifications will provide the senior citizen a 100% tuition only reduction. All mandatory fees and course related fees will be the responsibility of the senior citizen at the time of waiver approval.
