- EMT Program Admission Application
- Copy of valid driver's license or state issued identification
- Copy of current **BLS Provider** CPR certification

Note: You must apply to BSC in addition to the EMT/Paramedic Technology Program, students will not be accepted into the EMT program until they have met all BSC admission requirements and have been accepted to BSC.

Submit completed applications to:
EMS/Paramedic Program Director
Box 5587
Bismarck, ND 58506-5587

EMT Application Process

Application Deadlines

Fall: July 20

Spring: December 1

1. Admission to Bismarck State College.
 - a. Apply as "Pre-Paramedic Technology" or as "EMT Certificate of Completion."
 - b. Check Campus Connection to ensure all of your "To Do List" items have been completed. Student cannot be admitted to the EMT course if they are not admitted to BSC due to an incomplete Admission file.
2. Complete application for EMT course: EMT Application.
 - a. Submit applications to: **Bismarck State College; EMS/Paramedic Program Director; PO Box 5587; Bismarck ND 58506.**
3. Complete the interview process with the EMS/Paramedic Program Director.
 - a. **Interview will be scheduled once the course application is received and reviewed.**
 - b. Following a successful application and interview process, students will be offered placement into the course as space allows. Students accepting this offer will need to pay a \$100 tuition deposit.
4. Upon acceptance into both BSC and the EMT course:
 - a. Students will attend program orientation and registration. There is no registration for EMS courses prior to this day. We will schedule this orientation and registration day after acceptance to the course.
5. Following acceptance, students will need to complete the Castlebranch Compliance Tracker (\$153 student expense) to ensure the following requirements are met:
 - a. AHA BLS (Healthcare Provider) CPR
 - b. Background/Exclusions Check
 - i. No felony convictions. Misdemeanors will be reviewed on a case-by-case basis.
 - c. Vaccinations:
 - i. MMR- 2 vaccinations or titer (blood test).
 - ii. Varicella- 2 vaccinations or positive titer (blood test). (We cannot accept a statement or doctor note stating that you have had chickenpox or shingles.)
 - iii. Tuberculosis (TB)- 2 step TB skin test **or** QuantiFERON **or** T-SPOT.TB **or** negative chest x-ray.
 - iv. Tetanus (Td/Tdap)- Current up to date (within 10 years).
 - v. Hepatitis B series- 3 doses of vaccine or titer (blood draw); recommended, not required.
 - vi. Current year influenza vaccination- due by November 1 for Fall semesters.
 - d. 12 Panel Drug Screen
 - i. Forms are available only from the EMS/Paramedic Program Director.

Bismarck State College
EMS/Paramedic Technology Program
EMT Program Admission Application

Today's Date: _____

Name: Last _____ First _____ MI _____

Student ID: _____ DOB: _____ Under 18? Y N

Address: _____

Telephone: _____ Email: _____

Primary Occupation: _____

Employer: _____

Have you ever been convicted of any violation of any federal, military, state or local laws (excluding non-criminal traffic violations)? Yes No

If yes, please explain (note: official court disposition will be required upon acceptance into the program):

Do you have a valid driver's license or state issued identification card? Yes No

Do you have a current Healthcare Provider (BLS) CPR certification? Yes No

Expiration Date: _____

Have you ever worked with or volunteered with an ambulance service? Yes No

If Yes, EMS Squad Affiliation: _____

Squad Leader/Supervisor: _____

Have you previously applied to or participated in a EMT education program? Yes No

If yes, when and where? _____

Please explain why you are interested in becoming an EMT?

Please list any medical or rescue related experience that you have, such as serving on a fire department, law enforcement, hospital, nursing home, etc.,

The NHTSA functional job analysis describe the physical demands of the EMT as:

“Aptitudes required for work of this nature are good physical stamina, endurance, and body condition that would not be adversely affected by frequently having to walk, stand, lift, carry, and balance at times, in excess of 125 pounds. Motor coordination is necessary because over uneven terrain, the patients, the EMT’s, and other workers well- being must not be jeopardized”

Are you capable of meeting the physical demands of the EMT? Yes No

Part of the training conducted requires that procedures taught in the classroom and lab be applied by fellow students, such as applying cervical collars, splints, backboarding, patient assessments, etc. Are you will to allow other students to practice these skills on you? Yes No

To the best of knowledge, I certify that the information on this application is true and complete. I am aware that any false statements made by me on this application could result in non-admittance or dismissal from the EMT Program.

Furthermore, my signature below indicates that I understand and consent to the release of the results of my drug and/or alcohol test(s), immunization records, and background/exclusions checks to the BSC EMT/Paramedic Technology Program and/or the clinical/field facility or their designees, as applicable and/or as necessary. I understand these test results and/or background information will be used to determine if I qualify to participate in the clinical portion of the BSC EMT/Paramedic Technology Program. I acknowledge and agree that the clinical/field facilities are the final decision makers regarding my eligibility to participate in the clinical/field rotation and will not hold the BSC EMT/Paramedic Technology Program accountable for decisions regarding my placement in the Clinical or Field Rotations.
