AQIP Systems Portfolio Questions

Overview

1. What are your goals for student learning and shaping an academic climate? What are your key credit and non-credit instructional programs, and educational systems, services, and technologies that directly support them?

2. What key organizational services, other than instructional programs, do you provide for your students and other external stakeholders? What programs do you operate to achieve them?

3. What are the short- and long-term requirements and expectations of the current student and other key stakeholder groups you serve? Who are your primary competitors in serving these groups?

4. What are your administrative, faculty, and staff human resources? What key factors determine how you organize and use them?

5. What strategies align your leadership, decision-making, and communication processes with your mission and values, the policies and requirements of your oversight entities, and your legal, ethical, and social responsibilities?

6. What strategies align your key administrative support goals with your mission and values? What services, facilities, and equipment do you provide to achieve them?

7. What determines the data and information you collect and distribute? What information resources and technologies govern how you manage and use data?

8. What are the key commitments, constraints, challenges, and opportunities with which you must align your institution's short- and long-term plans and strategies?

9. What key partnerships and collaborations, external and internal, contribute to your institution's effectiveness?

AQIP Category One, HELPING STUDENTS LEARN, focuses on the design, deployment, and effectiveness of teaching-learning processes that underlie your institution’s credit and non-credit programs and courses, and on the processes required to support them.

Processes (P)

1P1. How do you determine which common or shared objectives for learning and development you should hold for all students pursuing degrees at a particular level? Whom do you involve in setting these objectives?

1P2. How do you determine your specific program learning objectives? Whom do you involve in setting these objectives?

1P3. How do you design new programs and courses that facilitate student learning and are competitive with those offered by other organizations?
1P4. How do you design responsive academic programming that balances and integrates learning goals, students’ career needs, and the realities of the employment market?

1P5. How do you determine the preparation required of students for the specific curricula, programs, courses, and learning they will pursue?

1P6. How do you communicate to current and prospective students the required preparation and learning and development objectives for specific programs, courses, and degrees or credentials? How do admissions, student support, and registration services aid in this process?

1P7. How do you help students select programs of study that match their needs, interests, and abilities?

1P8. How do you deal with students who are underprepared for the academic programs and courses you offer?

1P9. How do you detect and address differences in students’ learning styles?

1P10. How do you address the special needs of student subgroups (e.g., handicapped students, seniors, commuters)?

1P11. How do you define, document, and communicate across your institution your expectations for effective teaching and learning?

1P12. How do you build an effective and efficient course delivery system that addresses both students’ needs and your institution’s requirements?

1P13. How do you ensure that your programs and courses are up-to-date and effective?

1P14. How do you change or discontinue programs and courses?

1P15. How do you determine and address the learning support needs (tutoring, advising, placement, library, laboratories, etc.) of your students and faculty in your student learning, development, and assessment processes?

1P16. How do you align your co-curricular development goals with your curricular learning objectives?

1P17. How do you determine that students to whom you award degrees and certificates have met your learning and development expectations?

1P18. How do you design your processes for assessing student learning?

Results (R)
1R1. What measures of your students’ learning and development do you collect and analyze regularly?

1R2. What are your performance results for your common student learning and development objectives?
1R3. What are your performance results for specific program learning objectives?

1R4. What is your evidence that the students completing your programs, degrees, and certificates have acquired the knowledge and skills required by your stakeholders (i.e., other educational institutions and employers)?

1R5. What are your performance results for learning support processes (advising, library and laboratory use, etc.)?

1R6. How do your results for the performance of your processes in Helping Students Learn compare with the results of other higher education institutions and, where appropriate, with results of organizations outside of higher education?

Improvement (I)

1I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Helping Students Learn?

1I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Helping Students Learn?

AQIP Category Two, ACCOMPLISHING OTHER DISTINCTIVE OBJECTIVES, addresses the key processes (separate from your instructional programs and internal support services) through which you serve your external stakeholders — the processes that contribute to achieving your major objectives, fulfilling your mission, and distinguishing yours from other educational institutions.

Processes (P)

2P1. How do you design and operate the key non-instructional processes (e.g., athletics, research, community enrichment, economic development, alumni affairs, etc.) through which you serve significant stakeholder groups?

2P2. How do you determine your institution’s major non-instructional objectives for your external stakeholders, and whom do you involve in setting these objectives?

2P3. How do you communicate your expectations regarding these objectives?

2P4. How do you assess and review the appropriateness and value of these objectives, and whom do you involve in these reviews?

2P5. How do you determine faculty and staff needs relative to these objectives and operations?

2P6. How do you incorporate information on faculty and staff needs in readjusting these objectives or the processes that support them?

Results (R)

2R1. What measures of accomplishing your major non-instructional objectives and activities do you collect and analyze regularly?

2R2. What are your performance results in accomplishing your other distinctive objectives?
2R3. How do your results for the performance of these processes compare with the performance results of other higher education institutions and, if appropriate, of organizations outside of higher education?

2R4. How do your performance results of your processes for Accomplishing Other Distinctive Objectives strengthen your overall institution? How do they enhance your relationships with the communities and regions you serve?

**Improvement (I)**

2I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Accomplishing Other Distinctive Objectives?

2I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Accomplishing Other Distinctive Objectives?

**AQIP Category Three, UNDERSTANDING STUDENTS’ AND OTHER STAKEHOLDERS’ NEEDS, examines how your institution works actively to understand student and other stakeholder needs.**

**Processes (P)**

3P1. How do you identify the changing needs of your student groups? How do you analyze and select a course of action regarding these needs?

3P2. How do you build and maintain a relationship with your students?

3P3. How do you analyze the changing needs of your key stakeholder groups and select courses of action regarding these needs?

3P4. How do you build and maintain relationships with your key stakeholders?

3P5. How do you determine if you should target new student and stakeholder groups with your educational offerings and services?

3P6. How do you collect complaint information from students and other stakeholders? How do you analyze this feedback and select courses of action? How do you communicate these actions to your students and stakeholders?

**Results (R)**

3R1. How do you determine the satisfaction of your students and other stakeholders? What measures of student and other stakeholder satisfaction do you collect and analyze regularly?

3R2. What are your performance results for student satisfaction?

3R3. What are your performance results for building relationships with your students?

3R4. What are your performance results for stakeholder satisfaction?

3R5. What are your performance results for building relationships with your key stakeholders?
3R6. How do your results for the performance of your processes for Understanding Students’ and Other Stakeholders’ Needs compare with the performance results of other higher education institutions and, if appropriate, of organizations outside of higher education?

**Improvement (I)**

3I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Understanding Students’ and Other Stakeholders’ Needs?

3I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Understanding Students’ and Other Stakeholders’ Needs?

**AQIP Category Four, VALUING PEOPLE, explores your institution’s commitment to the development of your faculty, staff, and administrators.**

**Processes (P)**

4P1. How do you identify the specific credentials, skills, and values required for faculty, staff, and administrators?

4P2. How do your hiring processes make certain that the people you employ possess the credentials, skills, and values you require?

4P3. How do you recruit, hire, and retain employees?

4P4. How do you orient all employees to your institution’s history, mission, and values?

4P5. How do you plan for changes in personnel?

4P6. How do you design your work processes and activities so they contribute both to organizational productivity and employee satisfaction?

4P7. How do you ensure the ethical practices of all of your employees?

4P8. How do you determine training needs? How do you align employee training with short and long-range organizational plans, and how does it strengthen your instructional and non-instructional programs and services?

4P9. How do you train and develop all faculty, staff, and administrators to contribute fully and effectively throughout their careers with your institution? How do you reinforce this training?

4P10. How do you design and use your personnel evaluation system? How do you align this system with your objectives for both instructional and non-instructional programs and services?

4P11. How do you design your employee recognition, reward, compensation, and benefit systems to align with your objectives for both instructional and non-instructional programs and services?
4P12. How do you determine key issues related to the motivation of your faculty, staff, and administrators? How do you analyze these issues and select courses of action?

4P13. How do you provide for and evaluate employee satisfaction, health and safety, and wellbeing?

Results (R)
4R1. What measures of valuing people do you collect and analyze regularly?

4R2. What are your performance results in valuing people?

4R3. What evidence indicates the productivity and effectiveness of your faculty, staff, and administrators in helping your achieve your goals?

4R4. How do your results for the performance of your processes for Valuing People compare with the performance results of other higher education institutions and, if appropriate, of organizations outside of higher education?

Improvement (I)
4I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Valuing People?

4I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Valuing People?

AQIP Category Five, LEADING AND COMMUNICATING addresses how your leadership and communication processes, structures, and networks guide your institution in setting directions, making decisions, seeking future opportunities, and communicating decisions and actions to your internal and external stakeholders.

Processes (P)
5P1. How are your institution’s mission and values defined and reviewed? When and by whom?

5P2. How do your leaders set directions in alignment with your mission, vision, values, and commitment to high performance?

5P3. How do these directions take into account the needs and expectations of current and potential students and key stakeholder groups?

5P4. How do your leaders guide your institution in seeking future opportunities while enhancing a strong focus on students and learning?

5P5. How do you make decisions in your institution? How do you use teams, task forces, groups, or committees to recommend or make decisions, and to carry them out?

5P6. How do you use data, information, and your own performance results in your decisionmaking processes?

5P7. How does communication occur between and among the levels and units of your institution?
5P8. How do your leaders communicate a shared mission, vision, and values that deepen and reinforce the characteristics of high performance organizations?

5P9. How are leadership abilities encouraged, developed and strengthened among your faculty, staff, and administrators? How do you communicate and share leadership knowledge, skills, and best practices throughout your institution?

5P10. How do your leaders and board members ensure that your institution maintains and preserves its mission, vision, values, and commitment to high performance during leadership succession? How do you develop and implement your leadership succession plans?

Results (R)

5R1. What performance measures of Leading and Communicating do you collect and analyze regularly?

5R2. What are your results for leading and communicating processes and systems?

5R3. How do your results for the performance of your processes for Leading and Communicating compare with the performance results of other higher education institutions and, if appropriate, of organizations outside of higher education?

Improvement (I)

5I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Leading and Communicating?

5I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Leading and Communicating?

AQIP Category Six, SUPPORTING INSTITUTIONAL OPERATIONS, addresses the institutional support processes that help to provide an environment in which learning can thrive.

Processes (P)

6P1. How do you identify the support service needs of your students and other key stakeholder groups (e.g., oversight board, alumni, etc.)?

6P2. How do you identify the administrative support service needs of your faculty, staff, and administrators?

6P3. How do you design, maintain, and communicate the key support processes that contribute to everyone’s physical safety and security?

6P4. How do you manage your key student, administrative and institutional support service processes on a day-to-day basis to ensure that they are addressing the needs you intended them to meet?

6P5. How do you document your support processes to encourage knowledge sharing, innovation, and empowerment?
Results (R)
6R1. What measures of student, administrative, and institutional support service processes do you collect and analyze regularly?

6R2. What are your performance results for student support service processes?

6R3. What are your performance results for administrative support service processes?

6R4. How do your key student, administrative, and institutional support areas use information and results to improve their services?

6R5. How do your results for the performance of your processes for Supporting Institutional Operations compare with the performance results of other higher education institutions and, if appropriate, of organizations outside of higher education?

Improvement (I)
6I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Supporting Institutional Operations?

6I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Supporting Institutional Operations?

AQIP Category Seven, MEASURING EFFECTIVENESS, examines how your institution collects, analyzes, distributes, and uses data, information, and knowledge to manage itself and to drive performance improvement.

Processes (P)
7P1. How do you select, manage, and distribute data and performance information to support your instructional and non-instructional programs and services?

7P2. How do you select, manage, and distribute data and performance information to support your planning and improvement efforts?

7P3. How do you determine the needs of your departments and units related to the collection, storage, and accessibility of data and performance information?

7P4. How, at the institutional level, do you analyze data and information regarding overall performance? How are these analyses shared throughout the institution?

7P5. How do you determine the needs and priorities for comparative data and information? What are your criteria and methods for selecting sources of comparative data and information within and outside the higher education community?

7P6. How do you ensure department and unit analysis of data and information aligns with your institutional goals for instructional and non-instructional programs and services? How is this analysis shared?
7P7. How do you ensure the timeliness, accuracy, reliability, and security of your information system(s) and related processes?

Results (R)
7R1. What measures of the performance and effectiveness of your system for information and knowledge management do you collect and analyze regularly?

7R2. What is the evidence that your system for Measuring Effectiveness meets your institution’s needs in accomplishing its mission and goals?

7R3. How do your results for the performance of your processes for Measuring Effectiveness compare with the results of other higher education institutions and, if appropriate, of organizations outside of higher education?

Improvement (I)
7I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Measuring Effectiveness?

7I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Measuring Effectiveness?

AQIP Category Eight, PLANNING CONTINUOUS IMPROVEMENT, examines your institution’s planning processes and how your strategies and action plans help you achieve your mission and vision.

Processes (P)
8P1. What are your key planning processes?

8P2. How do you select short- and long-term strategies?

8P3. How do you develop key action plans to support your organizational strategies?

8P4. How do you coordinate and align your planning processes, organizational strategies, and action plans across your institution’s various levels?

8P5. How you define objectives, select measures, and set performance targets for your organizational strategies and action plans?

8P6. How do you link strategy selection and action plans, taking into account levels of current resources and future needs?

8P7. How do you assess and address risk in your planning processes?

8P8. How do you ensure that you will develop and nurture faculty, staff, and administrator capabilities to address changing requirements demanded by your organizational strategies and action plans?

Results (R)
8R1. What measures of the effectiveness of your planning processes and systems do you collect and analyze regularly?
8R2. What are your performance results for accomplishing your organizational strategies and action plans?

8R3. What are your projections or targets for performance of your strategies and action plans over the next 1-3 years?

8R4. How do your results for the performance of your processes for Planning Continuous Improvement compare with the performance results of other higher education institutions and, if appropriate, of organizations outside of higher education?

8R5. What is the evidence that your system for Planning Continuous Improvement is effective? How do you measure and evaluate your planning processes and activities?

**Improvement (I)**

8I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Planning Continuous Improvement?

8I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Planning Continuous Improvement?

**AQIP Category Nine, BUILDING COLLABORATIVE RELATIONSHIPS, examines your institution’s relationships – current and potential – to analyze how they contribute to the institution's accomplishing its mission.**

**Processes (P)**

9P1. How do you create, prioritize, and build relationships with the educational institutions and other organizations from which you receive your students?

9P2. How do you create, prioritize, and build relationships with the educational institutions and employers that depend on the supply of your students and graduates that meet those organizations’ requirements?

9P3. How do you create, prioritize, and build relationships with the organizations that provide services to your students?

9P4. How do you create, prioritize, and build relationships with the organizations that supply materials and services to your institution?

9P5. How do you create, prioritize, and build relationships with the education associations, external agencies, consortia partners, and the general community with whom you interact?

9P6. How do you ensure that your partnership relationships are meeting the varying needs of those involved?

9P7. How do you create and build relationships between and among departments and units within your institution? How do you assure integration and communication across these relationships?
Results (R)
9R1. What measures of building collaborative relationships, external and internal, do you collect and analyze regularly?

9R2. What are your performance results in building your key collaborative relationships, external and internal? [9R1]

9R3. How do your results for the performance of your processes for Building Collaborative Relationships compare with the performance results of other higher education institutions and, if appropriate, of organizations outside of higher education?

Improvement (I)
9I1. What recent improvements have you made in this category? How systematic and comprehensive are your processes and performance results for Building Collaborative Relationships?

9I2. How do your culture and infrastructure help you to select specific processes to improve and to set targets for improved performance results in Building Collaborative Relationships?
